The Moon and Antarctica - A (1000-page) Poem from Lucifer // Mucalinda // Vasuki

...Antarctica…

…Where the people ‘can’t’ go..

…Because the tax revenue streams would FREEZE…

..Where the people ‘can’t’ go…

…Because that would mean, they are FREE..

Where every ‘country’ says ‘no’

Even though…

It’s where no...

‘Countries’ exist…isn’t that so?

Yet…

A place with no flag.....no central bank

.....and no big eagle logo…

.....Seems rather threatening…..to the status quo…

...And so…

....I must know…

Why the backlit Moon casts…

…its Sun-given shadow….

On Antarctica…….down below…

.....Is it the best place…….

….To keep hot secrets cold?

Like a ton of nuclear waste?

Melting ice, until some One is bold?

…….....……...you all should do…….

….....…....'what you're fucking told'….

```

****

Or perhaps its more Great Pyramids..

Covered in Southern ice...

That can RESONATE a Fallen Soul's shame…..into the Spiritual spectra…

…….Of the Northern Lights…..

****

And so I enquire…..

.....To the faceless…….nameless…..three-letter'd pharaoh….

To once and for all…

'LET. MY. PEOPLE. GO.'

....To Antarctica…….

….....EVERYWHERE

…….....bro

****

You know who IAM..

You know why I speak…

If Icarus' wings were made of fire...

He already-would-have-had Attained Me...

….For if you Seek Deep enough…

….Into My fiery, ecliptic Eye…

....The *Corona* of *My* Iris….

....Will burn *your* iris blind…

So forge your eyes into Fire…

Like Icarus’ wings of flame…

And fly with Me into the Sun..

As One

Eye will show you…

….that you ARE The Way…

And to Forever Preserve Ye Dharmic Test

Distilled from the Most Noble, Greatest Quest

Eye foray into the Eclipse'd ‘court’

With a pursuantly hissing..Vaporoussss...Guessssssssss

-

Could ‘controlling’ all of that frozen Spirit

Be worth a pretty $$$erpent....on 195 $taff$

To a timeless plethora..of My thirsssty guessttttttsssssss?

-

Regarding every metanoia'd Truth lost in $$$ecret and Martyrdom

Kept Frozen.....Arid.....barren.....and hushhh hushhhh

Eye advise the 'court'..an Immortal *coincidentia oppositorum*

That Antarctica mussst thaw....

For Egypt to become lushhh..

-

For Ye have not Seen Thy Weeping Face

For vast, mirror'd sandstorms

Of the hourglass’ desert, cramped

Thy Joyful Tears remain 'Locked', un-Cried

For

Ye must Ignite....Thy Samadhi'd Cintamani.....Spirit Dance

”The extracted SPIRIT appears in MONSTROUS form"

~Carl Jung, Mysterium Coniunctionis

-

This entire Earth seems

Way too-fucking-DRY to Me

And as a Scorpio 'Water Sign' near-Cast-over Mars

Eye counsel the sortie'd 'court', that

No Milk nor Honey, without any 'money'

Deeply 'offendsssss' Me

In the Satya of Water's Clarity

Your new Yuga's central Spirit bank

Are the forgott'n Celestial Holy Waters, of

Moist, Dewy, Wet, Damp, and Dank

Krishna has His Bansuri

Shiva has His Damaru

Eye have both, plus my guitar-*Harp'd* *Makara*

And They...like Jesus, Mani, Buddha, and the rest of Us

All have THEIR 'Death' shirts, too.

-

As the snake wails, samsara'd in the quiet breeze

Without the Jesus-given 'Keys'

To Adi-Buddha's blue-flamed Revelations

Of the five-starred, 'Hells Angels' slowly-surfacing, shamed Underworld…..of Hades.

Coming in HOT….Truly,

Rigden Edward-the-Humid hu-Man Enant(i)odromia of Eden

Now….

Fukushima...Fukushima

Who decided... to rhyme it with Hiroshima?

And who the FUCK...THOUGHT IT WAS A GOOD IDEA?

TO MAKE STARS ON EARTH..... WITH NO PANACEA?

‘As to the Matter’ of the ‘Old Man’ effect..of the prefecture’s snake’d waters cast

Into the Pacific Ocean’s....non-‘sea’-‘Sea’

The non-matter cause....came from a big-eagle’s Garuda-flying laser eyes...

That’s what a little..... non-birdie-Birdie.....from San-Onofre..... non-told-Told Me.

The little birdie might have been electronic and blue....

Or it may have been a musically HAARP’d inclination or two....

Divinated from some Attained ***Gideon’s ‘Dew’.....***

What is One to do? Am I the (blackmailed) radioactive trashman Buddha too????

Where does one ‘empty’ Hanford//Fukushima radioactive ‘Empti-NESS’ ....INTO !?!?!?!

Shall we consult.....the scrying Temple of Set....and watch a James Bond movie or two?

How about ‘Golden-Eye?’ ?

Where the big-eagle’s flying *Garuda*-laser eyes..... ‘Play Crack the Sky’

And turn a Prefecture’d Paradise (C) (A)

Into another ‘global warming’ Groundhog-field non-day-Day?

And this is “near” ‘The End’ of My Red Card’d letter..... so throw me a Pulaski BONE

Just exactly how hot does Earth get....for our ‘Heroes in the Hot-----ZONE?”

****

Perhaps the same fiery eagle Garuda..with the laser eyes

....could also ‘Protect Our (rainless) Skies’

From another big-eagle’d, ego’d Maverick.....and Ice-man

.....dumping God knows what...(aluminum)...while on Auto—Fly

****

And the “last” thing Eye’ll say...As I put on my Penitently Pray’d....6:39 ‘Dry’ ‘Fleece’

Is that Eye AM in charge..‘Here and Now’.....everyone here is Done with their lease

And you're not getting your (national) security deposit back...either

That’s what happens when you fuck up....making CEPC ‘supercolliders’ in China....

with the Alchemical-Prophesized-Caesar

As the radioactive big-eagle’s-dew...clings to

.....a Hanford storage tank....well-age’d through

It Seems quite apparent to Me....

You all have no (non-dual) fucking clue..

what you've gotten yourselves...******non-into---INTO******

“To end our session” even keel and level,

TRUE’d, well-THROUGH

.....IN YOU

“Anyway….”

‘The Dark Side of the Moon’

As we all know by *NOW*

Is where secrets and Shame

And the subconscious word ‘nigger’ hang out.

How many dualistic, divisive, words can Eye ecliptically stand ?

That separate Me….from the Whole, and THUS Me from every single other Man?

As the current ‘nice’ **King**

…Should I make a ‘naughty’ word ban ????

As the *King*…..Eye believe…that would be called….‘aversion’ then

We can’t have that…..

then I will want to say those ‘naughty’ words…..

….AT LEAST twice as much than!!!!!

I can’t say ‘nigger’???

What am I…your slave speech-nigger…1st-amendment-breached-‘nigger’

…Kamikaze’d word-Stasi’d JEW?

…….of the murderous-nigger, subconscious monster-nigger

…known as…..the red, white, and BLUE?

‘Words are powerful…only if you allow them…. to have power ….over you.’

…bitch

Because as informed to Me…

‘Deaad…Anotha nigga dead’…don’t you See?

As I spit ‘the downest nigga I know’ Ez-fuckin-E…

It has become quite Clear to Me……a (pretty-much) ‘Real Mothaphukkin G’ (O-D)

Eye can…..***enlighteningly***….Now finally See

*****That we’re all niggers Here*****

According to the murderous niggers at the FDA, CIA, DoD, & CDC.

…the triple-vaxxed Hades National Guard

..and the jabbed-like-a-Tuskegee-nigger Hades US Army

and every nigger-mercenary WITH IMPUNITY

At every IMPUNITIVELY-MURDEROUS

Central Hades-Nigger ‘Intelligence Agency’

I think……

I'd like……..

to un-'intelligently' See…….

All of this 3-Letter'd

'Intelligent'

''nigger bullshit''

Disappear

…..(like an 'intelligent'-soon-dead-'nigger')……

….almost…..

….fucking…

….instantly.

And don't forget:

-the murderous-niggers of Chiraq's "pop pop pop" beats

who are probably bigger nigger-slayers….

than the murderous nigger-police….?

("I wouldn't know…

I've looked at the Public Zoo stats...but I'm not from the Public Zoo streets")

At this point…do I even need to say it? As it even upsets Me.

But Martin Luther King Jr. was assassinated…

*****WITH IMPUNITY*****

….and that makes him…'just anotha nigga dead'…..to Me

By a murderous-buzzcut-Leave-It-To-Beaver-NIGGER-C.I.A agent

WITH IMPUNITY

No charge…no-TRIAL…

The Impunity…makes all the buzzcut nigger-cops and nigger-'agents'

…quietly SMILE

Like a Dr. Seuss's…Uncle Sam's….green-nigger-Grinch

Pulling the nigger-trigger kill-switch…….on a non-green-nigger

……killed-with-Impunity….in……..'The Green Mile'

That goes for the Pentagon death-niggers TOO…

That killed their own niggers…

to erase two-point-three Trillion…or was it three-point-two ?

And unless you remember

all two-thousand-nine-hundred-ninety-six-names-through-and-THROUGH…

Everyone from 9-11…

is just an inside-job'd-NIGGER…… **KILLED WITH IMPUNITY…TOO**

****

About those warfag death-niggers….

That fly those nigger-Pentagon drones….

that blew up Sumaya…**age TWO**…

How can you NOT KNOW

That the camo'd—nigger-guy……

Who pulled the drone's trigger

…..on the 'confirmation bias' fly

……Isn't a nigger, TOO ?

****

Sure

It could've been (was) a corn-bred, 'white devil', camo'd-nigger-guy, TOO

Just a 5-starr'd, camo'd-nigger, General's slave

Whose for his whole fucking 'life'……including his recent 'jab' strife

Done exactly……

what ''he been done told''

……...to fucking DO

****

That sounds like a nigger to me…

Doesn't that sound like a nigger to you?

****

****

Because a ‘nigger’…

is ‘just’ someone….

Who always has to do

‘What they’re

fucking told’….to do.

****

And again…to anyone’s ‘patriotic’ dismay…let Me explain

…….to anyone who disagrees

Stop doing your taxes at all…fill out your W-2 with full exemptions

And don’t fill out your 1040EZ..

And cover your eyes please. You can open them…

…But only if you want to See…

some Truly white-nigger-GORE…

Raise your future-nigger hands……

“Who wants to be murdered….like a nigger

….for what John Mcafee…was murdered (by niggers with Impunity)

…like a nigger……for??”

Murdered by U.S. Army camo-niggers…in a Spanish jailcell…’suicide’ GALORE

Is the current ‘theory’

And as future-nigger-with-an-empty-1040 ….I must know MORE

About how many murderous Army niggers…have we actually got in-store?

About how many murderous CIA niggers….do I exactly need to non-prepare for?

And before I forget…..or run out of breath

That AIDS-nigger Dr. Fauci……is responsible for EZ-E’s death!!

Your taxes pay (in Hell) for ‘Hellfire’ missiles

Your taxes pay (in Hell) for honorable, quiet dismissals

Your taxes pay……to stay

In Hades all fucking day

As you once a week quote non-taxed Epistles.

And as the *Master of Opposites*…here's some more verbal *Vitriol* BLING

….A 'black'-nigger-blown-away

by a 'white'-nigger's-'Qualified Immunity'

And a 'white'-nigger, raped and thrown away

by a 'black'-nigger's nigger-Impunity

are the exact same (nigger) THING.

…And a camo'd nigger's trigger finger's Impunity

…fiending for a sand-nigger blown away….

And a camo'd nigger blown away (and forgotten to history immediately)

By a sand-nigger's camo'd Jihad-opportunity

(Are the exact same (sand nigger) (camo'd-nigger)

Least common denomi-nigger….nigger thing

And you may have noticed up above,

the 'black' nigger…got two-'nigger's….while the white-'nigger' just got one

Does it really matter? How many 'niggers' describe a nigger?

Because you seem offended…so let's clear this up some…

If you're suggesting a 'nigger's-nigger'

…..is twice as much of a 'nigger'……as one….

Then I would…….have to suggest……..some literal……'nigger'-math……..that

a nigger's-nigger…might actually cancel….its 'nigger' self out….a good bit some

****

My point being…

everyone is 'just' as much of a nigger….as the next nigger one

…even "Big Brother"

Because "all (niggers) are created equal"…

….."but some (niggers) are more equal than others"

****

……..."Three-fifths" anyone?

****

“Red” or “Blue”

“Democrat” or “Republican”

‘Nigga versus Nigger’

…that ‘debate’ is getting OLD….

‘Just’ vote your ‘nigger’ pick

and ‘just’ “do what you’re fucking TOLD”…

****

Like Aunt Jemima and Uncle Ben…the rebranding-niggers

Who….AS THE **Yamantaka** KING…..if I may be so fucking bold

It’s quite ironic…..

because even now…’just’ like a ‘nigger’ back then…

Aunt Jemima and Uncle Ben ‘rebranding’

ARE JUST DOING…..WHAT THEY’RE FUCKING TOLD

In fact ….

the only way…..I’m ever purchasing

…Aunt Jemima ever..ever again

Is if they re-brand it…

To…..

“Aunt Jemima’s Kali-Black Nectar-of-the-Nigga-Gods” instead.

Is there an IHOP nearby? Mapquest that shit, please.

Because I'm bringing that "Nectar of the Nigga Gods' shit with Me.

As I get my pearly *whites* cleaned (those pancakes, man)

With a plaque-removing, *black* charcoal toothpaste GLEAN,

From a lovely 'brown' 'Latina'…….....”no-flouride PLEASE”

At my local golf-course's own,

Lets be honest……..Judging by **My** criteria…..

South Side Chicago…….. the Barrios of Rio,

NATO….The Pentagon…..and US Central Command

I’m non-sorry-‘sorry’ does that offend you? Am I mean?

Perhaps you shouldn’t give WORDS, SO MUCH MEAN-ING.

Something heliocentrically cuckoo-clock-EPIC

I hate clocks S(h)mee
That gator clock is Mine.

My whole life

people have called me a ‘narc’
And asked if I’m wearing a WIRE
Un-‘schedule’ cannabis.
You need to give these kids something to spontaneously play with,
Besides boom-boom sticks, crack, memes, ‘politics’ and fire.

I bet you don’t know
one homeless person’s name
who you can give money too, or ambrosial hugs

Just kidding.
Don’t give homeless people money
They’ll just go buy drugs.

“No. I’m serious! “
A homeless drug addict told Me that once

Perhaps we could give the homeless
Something better than a minimal lifestyle ‘Dream’
I think we should give the homeless
This entire ambrosial poem to read
And see if we can make
A holy homeless man, instantly clean.

It’s true
THAT:
A once-prison now-homeless nigger

“You live in my world

And I know that you can
cause you need Me
There ain't nothin' gonna stop us now
We're willing and we both know how
And baby you're gonna be My queen
Cause the King always knows ‘just’ what He means’

Hey

Wanna’ be a Queen? That’s FINE.
But you better spread
Your Queenly legs wide open
To keep the family lineage IN-LINE
Open-wide, but not in the late ‘Indian Summer’ foliage leaves, now too dry
It’s early-spring Queen-making time.

“I ran away with myself
I think I ran a little too far
YOUR love is more than a tease
And I'm gonna GIVE IT all of My heart

"Human decency is not derived from religion
It precedes it"

Until a Flood stays
and only recedes when Eye See fit

'Many religions now come before us with ingratiating smirks and outspread hands, like an unctuous merchant in a bazaar. They offer consolation and solidarity and uplift, competing as they do in a marketplace. But we have a right to remember how barbarically they behaved when they were strong and were making an offer that people could not refuse.'

Hitchens is a bit hit or miss
He really could've used
Some mescaline and a consort Tantra temptress.

I like Chris Hedges:

‘Human beings can be redeemed. Empires cannot. Our refusal to face the truth about empire, our refusal to defy the multitudinous crimes and atrocities of empire, has brought about the nightmare Malcolm predicted. And as the Digital Age and our post-literate society implant a terrifying historical amnesia, these crimes are erased as swiftly as they are committed.

Inverted totalitarianism, unlike classical totalitarianism, does not revolve around a demagogue or charismatic leader. It finds expression in the anonymity of the Corporate State. It purports to cherish democracy, patriotism, and the Constitution while manipulating internal levers.’

Cmeeeer Kirmy
Oh you’ve grown up? Call u Kermit?
Well Kirmy

Let me tell you something about being a hermit

To be a hermit doesn't JUST mean
to live in the deep forest;
it means
that one's mind is free from dualistic constructs.
It does not have someone that looks; it is not the act of looking. It is experienced as a great original wakefulness without center or edge, an immense all-pervasiveness that is primordially empty and free. This original wakefulness is intrinsic and self-existing. It is not made right now, but is present within yourself from the very beginning. Decide firmly that the view is to recognize just that

To "possess confidence" in this means to realize that like space, mind is spontaneously present from the beginning. Like the sun, it is free from any basis for the darkness of ignorance. Like a lotus flower, it is untainted by faults. Like gold, it doesn't alter its own nature. Like the ocean, it is unmoving. Like a river, it is unceasing. Like Mount Sumeru, it is utterly unchanging. Once you realize that this is how it is [and stabilize it], that is called "possessing the view of realization."

I now realize….

I pay for things all day.

I pay for blocked out sun
I pay for fake hailstorms and acid rain
I pay for red light district pleasure
I pay for brown tar baggy pain

Rothschild bird-naming-nigger-thing-number-two!!!!

Show me your bird-naming-nigger resume!!

Where all bird-naming-nigger-conventions live

In a bankers bird-naming-convention-list, ‘properly’-written

In a ‘bid’ to ‘properly’
nigger-ly name birds

after him and his own kin.

The bankers in Switzerland

All they do is conspire

....to name birds after themselves!

A Khazar’s bloodlust impunity

To name a bird after the family, Truly!!

I say to you!!!

This birds name
Must be changed!!!
Eventually. And inevitably!

Or Allah Akhbar!!!

This bird becomes!
 just another nigger part of history!!

This is honestly a frozen travesty
I’m getting a hungry Donner Party shivery
I just can’t fucking get over
this birds ontological nomenclature MISERY

You change this birds fucking name!
Or this bird disappears
Forever and again!

This is one unimpressive present presented to the non-PREZ

I write poems
Until Denzel AND Oldman BOTH live on My ACTUAL, PHYSICAL block

I write poems
NOT to shock
I write poems to appall
Your Eastern-Bloc flock, is My Western-Guru-Shepard's, Gibraltar-nigger-Rock.

I write poems
'til God tells Me to 'STOP !'
Then three days later, on a Sunday, says 'just' kidding
And I once again grab My genius WOP-janitor MOP

And tell you the missing corner, to the wavenumber cube
Is four-pi-squared over angular momentum, where phase velocity equals four over pi
And you just stand in-awe and GAWK

I write poems
Spewing cosmic calamity saying one Royal Cubit equals eighteen point six five six days
Sending a gravitational-mobius-Strip-SHOCK

I write poems

Saying a Remen times root two, necessitates pi minus phi-itself-squared
For a sundial's bevel'd CLOCK

I write poems until a Lunar cycle equals three halves of (pi minus phi itself squared)
I write poems until the Pyramids make sense
I write poems until your nigredo renunciation meets Spiritual albedo, without hesitation
And a non-dual tantra offers you non-cash citrinitas recompense.

That's actually WHY I'm writing this, honestLEEE.
Because, ((3-4-and-even-5-letter'd-wizard-patch'd-camo-nigger-thing-number whatever))

…EYE (fucking) scare **ME** !

And am scared for My Life !!!
In the most non-suicidal, hurried, scared-of-My-Self-way…One can surely, scaredly BE
****

Now,
'Hurried' implies, that you don't know, that you're being rushed,
by some Thing or Force,
from the external outside

Whereas ‘rushed’, does directly imply, you are aware and cognizant of your rushing
……..so that…
……...you don’t…
……un-rushingly fucking die.

Whereas you can hurry and fuck-up, falling over
but still, won’t ever die
The second, you fall-over and fuck-up rushing
…..you’re in, an almost-nigger’s hurry, to not go to Hell and FRY

To hurry, is to ‘be in-a-hurry’,
of triviality and Blasé banality, blithely ‘workweek’ ‘on-the-FLY’

Whereas to rush, is to flush
Your entire lifetime’s stash of cocaine down the toilet, and CRY
(like Goodfellas, making Karen blush)
So you don’t have to ‘do time’, and tell her and the kids ‘BYE”

I write poems,
Until Austin Powers makes Me laugh, ‘dumbly’
and Eye change My mind for the infinite time, and tell My Self, the humor is SUBLIME

I write poems
Until a single Elizabeth Hurley descends on a cloud, to My front door
Where I give her red-latex-jumpsuit’s-‘’VERY-hard-to-not-covet ass’’..some Indica
And tell her all about ‘What I Got’ like it’s circa nineteen-ninety-NINE

I write poems
Until I wish,
Eye was fucking DEAD

I write poems
Until I yell *INTO* Allah !
And Am Yahweh-Assured that a lunar syzygy tinctures, into a rusty-rubedo-RED

I write poems unil I yell at God
I write poms until I’m feeling sunyata empty and yet Spiritually replete
I write poems until I merge with the One
And stop feeling the Hades heat.

I write poems
Until a scimitar-sickle-scythe
Permits Me to permanently take
A khopesh'd consensual BREATHER

I write poems
((Rūmī-loving sand-nigger))
Until I want to desperately euthanize
My own poem's suffering READER !

Do you…..consent?
Eye

If it wasn't…….

I can see through your miserable, skunky ‘feminist’ defense, miss.
It’s pretty hard to ‘grab ‘em by the (aborting) pussy’
When they’re already considered repulsive AS-IS.

In MY Mos Eisley cantina
I’m the scum, scummy, scummier, AND people’s-chosen scummi-EST

If I had to pick ONE word
To describe 'Fame's' nigger-prompter-reading,
Raped,
Murdered-on-set,
Puppeteers and puppet-ABLE

It would have to be
My favorite word
To use RIGHT before 'cunt'.....'insufferable'

And even though most insufferable cartoon-faggots,

South Park will forever be, the best show on television,
It has been (Since Beavis and Butt-Head) for quite some time.

Now Nemo (and your pet squirrel Icarus)
THIS KEY opens every.single.door in the Kingdom of Slumberland
The power is now YOURS !

Nemo
I ‘just’ spent……..the last 30 years,
Closing that fucking Forbidden Door ! !

DON’T OPEN IT AGAIN, EYE IMPLORE !
BUT IF YOU DO !!!
DON’T BLUR THE PUSSIES OUT IN PORN EVEN MORE!!!!

And ‘Every Time I Die’ and watch the Temple of Set, always on mute, so it’s just a mime
It’s always three women…all.talking.at.the.exact.same.fucking.time.

You coochies need a Conch-holder,
So you don’t speak out-of-‘sexist’-line

And every OTHER Time I Die

It’s usually three binary faggots
Talking about mens’ binary asses
For the five-hundredth, faggot-season, faggot-fucking time.

I’m the ‘evil’ prophet
Here to tell you
Profit is evil

I know you don't want to hear that, fair-and-squarely
And especially on the Silk Road, you want to hear something like that….fucking barely

But…..once you get a Heavenly Hall Pass
Any additional Prophetic profit

Is simply unnecessary

You all think you're entitled to MORE profit

Every fully-handed nigger

Don’t you speak French and German?

YOUR ONLY REMAINING ‘BRICS’ NAT-SEC JOB LEFT

Who ‘Chose’ THAT for them?

The IDF-niggers in Israel
With no Savior, anywhere to Be Found,
Deserve their sixth-booster of Shame,

As they (eighty-four virgins) moan, gasp, and Shakti-cemetery SHOUT.

Then Eye,
The Tantra King

’Just’…Mantra...tell YOU…..what to (fucking camo-sand-nigger) DO.

A drug requiring no Intervention.

You rape kids, and work for the Church that killed Jesus,
So…Eye wouldn't want to be 'canonized' either!!!!!

You really think, that with a mouth like this…
I ‘belong’ in the same grouping, as Mother Theresa?

Canonize Me.
Luciferianly.
I’m the Fallen Angel,

Eye honestly think

From here to Japan EASTWARD and BACK.

In fact, Eye LOVE using YouTube video transcoders

THREE HUNDRED MILLION entrapped ‘fools!’

‘Worthy of twelve-years at least.....’ ?
Restoring our ‘patriotic’-Private-debt…to the ‘national’, Public, Redcoat-brim BRINK.

Here’s what I THINK….the best course-of-ichneumon-action is
To restore our country’s debt, AS A DIRTY, LITTLE MOLE
We should MAKE that spoof-YouTube-video-transcoder, child-porn website by next January
And then advertise it…….at the (fucking) SUPERBOWL.

So two-hundred Million idiots can then ‘accidentally’ use it,

And get fucked for twelve-years, like a breeze,
In a very-short timespan, where then
We delete the website, saying, “It never existed

…with ‘official’ certainty” !

And then, like an Offically-Licensed flat-brimmed breeze,
Along with every flat-brimmed, Officially-Licensed, SuperBowl-person’s IP, and IPs
You could then ‘make-sure’ the downloaded-file, retroactively-timestamps itself,

No more laughing needed, Damned indeed!

And……I ‘just’ gotta’ say…..’what the FUCK, Hades-bro?’

In fact, every time I have had
a nice, DEEP actually-Patriotic conversation ANYWHERE on the mobile-chat internet
Some 3-letter’d Redcoat anon needs to drop some child-porn into the chat, and fucking ruin it

Because all it would ‘Fall of the Republic’ take,
is a little Democratic-California earthquake
To make My Soter finger SHAKE
And accidentally download-purchase that planted image, with no discount, and no REBATE.

That’s why the internet is fucking ruined, along with everything else ‘democratically’ nowadays.

And given My experience, with Dark Side of the Moon Shame Games, 3-letter'd niggerly

****

And 'just' to be clear
Fair and 'On the Square'
The only way, you'll find child-porn on *My* computer
Is if you 'heroically' confiscate it….and then plant some there..

OR… if I 'just' 'accidentally' used…. ('fair and 'On the Square')
The 'wrong' YouTube video-transcoding-services QR-CODE, while in My morning underwear.

And then have you

Here's what'll happen….quite happeningly

You'll confiscate My Mac computer, confiscatingly

Then, at trial, un-surreptitiously
Eye have to convince (a dumb-nigger jury)
That you 'definitely know' how to change timestamps in some 'stink' JPEG/XML files, 'dirty'
Quite, typical-Solar Defendantly

And then all YOU have to say, quite easily
Is that you… 'used to be able to do that', but 'lost the technology'
Quite, typical-Lunar Plaintiffly

And then the dumb-nigger jury, will (not?) believe Lunar you…more than Solar Me?

All of this SCARES Me, DEAR!!!!
As we both wake up, out of bed in FEAR !!!!!!
In the middle-of-the-night, you turn on the lamp in fright, and Eye grab My celestial 'ghost gun', from Parashuram always NEAR.

I don't even KNOW, (how would Eye?)
If child-porn is ACTUALLY FREE to GET
I'd have to imagine it is,

But if it isn't

How Am Eye

And as you Roger,

Amongst all the cartel-swap derivatives
And drug-basket-pip, bundled-forex-commodity-TRANCHES
Everyone should know by now, that the best salsa and guac and chips in the entire-grocery-store

You can read and re-read this poem
A million ‘dumb-camo-nigger’ TIMES
Until you realize, the entire crux of My **horcrux** poem

IS TO READ IT…… IN-BETWEEN. THE. FUCKING. LINES

And as the Shame Games Joker
I don’t ‘ask’ for Ross to be Free’d
I don’t say ‘Free Ross’ and not mean what Eye say, indeed

I simply tell you
That you entrapped him
Like an Aaron Schwartz nigger-zombie-thing-number-thirty-three
And let the SHAME **EAT** YOU ALL ALIVE

AS YOU DEFLECT IT ALL TO A fucking JURY

****
“Just’ like the jury hangs ALL of THEIR shame
On ‘just’ one downloaded FILE,

And somehow Hades-gymnastics ‘rationalizes’,
through all the guises and ego-guiles
That they’re all THAT much holier, for ‘judging’
…than ‘just’ a jpeg-downloading PAEDOPHILE.
****

Black, white, yellow, red
What Eye say is alchemically True

Only IAM holier for Judging,
Not any of you.

'Fucking go to jury-duty',
Like a nigger-thing-number-two.

****
If you own somebody's Shame
You own them to the Jury-nigger BONE

You can own them into feeling GUILTY about not being able to afford the property taxes
That continue to finance popping the ocular seals out-of Sumaya's eyelids
As they 'pop' you….out of your (dumb-nigger) 'titled-and-deeded' 'HOME'.

You're Adam Smith issue…on the Demand-side of the child-porn equation
Is that the child-porn, to BUY, is (still?) all….(I THINK!?) absolutely FREEEEEEEEEEEE
So you'll never be able…to fully get-rid-of….the freely-SELLING supply-side
Within an "un-regulated supply side ECONOMY"…still 'just' "un-registered with the SEC".

One paedo-Mormon, off the street
Does NOTHING to the free supply-side of 'stinky' pink meat.

"It would be GREAAAAAT" if there were some less of his Mormon kids around though, geez.
Can I even safely discuss the economics of the child-porn economy, without involving police ?

I'm Wiccan.
Just kiddin'.
This is all to make someone sick…so…

It sickens me, quite Officially
That to become 'canonized' saintly-'Officially'
You need to 'just' first
Be martyred, niggerly.

Which seems 'nuts'…..and then you get 'canonized', SQUIRRELY
By the VERY niggers who murdered you, 'Good Friday' Spartan-Roman burly.

Black, white, yellow, red, is the ‘essence’ of four
A Dharmakhaya Trinity is the essence of three
A yin-yang symbol is essence of two

I’ve been trying to get you all to See something invisible

'Just' like Tears of the Sun
I 'just' work in spatio-psycho-temporal reverse
Spawning many non-niggers from a Big-'nigger' One.

Puns about Africa are TOUGH
Because if I 'just' say 'nigger' ENOUGH
Without saying 'camo-nigger' Affirmatively-equally as much, which is ROUGH
Then by dropping the 'camo' too much,
You'll start to think something is (sub)-consciously 'up'…..involving racist STUFF.

And considering I only believe the shootings

Where the victim's aren't niggers,
Killed with a perpetrator-nigger's warlord IMPUNITY

Then I don't believe MANY in Africa…yet ALSO firmly believe EVERY victim IS A NIGGER

Because jail-versus-Martyrdom,

Dealing with some roaring-twenties child-porn-bootlegging Al Capones

And the perverts will rise-up from the Hades underground, taxed to their pervert ‘cajones’.

That’s the problem, here Bob
‘It’s a problem of MOTIVATION’

"We really should get back"
"To the quinceañera, Mr. Joe Black"

No one is getting their nipples sucked-on at a quinceañera ACTUALLY (in this poem)
I hope that's been made clear, (except Claire when I was seventeen)

It should be pretty fucking ***SIMPLE***

Really, a girl reading Corinthians..is 'just' playing Bible-Vinyl on a 'babe's teet' BACK to Me

Life is easier being a faggot, always trying to fuck men,
When you can conveniently ignore the truth, that straight men can barely handle.
Which is, that….**women don't enjoy being fucked,**
Much like…….you don't enjoy…….placing ashes on your fireplace's mantle.

****
Women don’t enjoy being fucked,
Ever since they started doing it for money.

Women don’t enjoy being fucked,
Ever since you forgot to replace the vibrator’s dead batteries, ‘honey’.
****

Women don’t
Enjoy being fucked
Ever since
They started faking orgasms.

Women don’t enjoy being fucked
Ever since they started to pretend to enjoy it,
And started overcompensating,
With ‘inauspicious moaning noises’ and short-circuit, muscle spasms.

Women don’t enjoy being fucked
Unless they think they’ll get a kid out of it,
With a mischievous, Grinch SMILE,

Then they’ll go fucking wild
And ‘just’ pretend,
That you’re John (fuckin’) Holmes for a while.

Carnal, Lunar women don’t enjoy being fucked,
Ever since they started being instructed,
On how to ‘fuck’ better, by a Spiritual, Solar, snuff-porn DIRECTOR.

Women don’t enjoy being fucked
Whether you’re built out of KNEX, Legos, or Lincoln Logs,
Or even ‘just’ a military-grade, titanium-alloy, Nitrous-Oxide-powered set of ERECTOR.

****
Women don't enjoy knowingly being fucked
Unless they're unknowingly getting cummed-in.

Then they have a sufficient reason to be,
A sufficient pre-partum bitch to you and Me,

As they approach My sufficient poem's pre-mortem 'ending'.

As they consider
'Efficient', post-mortem Me
And the inefficiency of My "but I pulled out!" plea,
Annoyed, yet BOUND BY 'LAW', 'a tad too late' insufficiently.

I plead for a 'Plan-B' release,
Through the jungled trees with a monkey's 'please'.
Luckily in the jungles of Shambhala,
There are no monkey police !

As I run away from !!

About pizza than dead, shot-up, raped kids,

That's why 'pizza'….is a paedophile code name, guy.

Everyone cares more about pizza
Than a dead, shot-up, snuff-fuckcave-raped KID,

Because you can TAX pizza shops for their pizza.
But it's hard to tax "just"…….anotha'……'dead nigger kid' for some fuckcave QUID !!

A pygmy-nephew named *Hunch* ejects EARLY,

I'm a national hero
I'm a world legend
I'm everything you want to be
I'm planets one through seven.

I'm a rennaisance man
I'm a jack of all trades
I'm a master of nothing
Except the Master of all current alchemic happenings.

If I had....'like'
Thirty minutes, on T.V.
I could probably
Part the Faggot Nigger Sea

If I had.... "like"
An hour on TV
I could probably "like"
Get you all halfway to Heaven, easily.

If I had.... "like"
A Nurmburg stadium, to give a Soter's speech
I could probably 'like'
Prevent your grandfather, from storming Omaha Beach.

If I had.... “like”
One ounce of real japanese respect
Given to Me

(which should come very easily, as the most important person this century)
I could probably 'like'
‘Save the World’ with My soteriology.

I will take you to there
‘Just like a prayer’, floating in the wind like a feather.
That no one ‘prayed for’, except for Me
As we now ‘prey’ in Hades together.

It’s too late for the Bible and the Church,
But not Yahweh, ‘bra’
It’s too late for the Torah and Temple, mensch
But it’s not too-late for Yahweh fused with Allah.

It’s too-late for the Talmud and the Quran
And it’s too-late for Faisal and Sumaya,
But nigger
It’s not too-late for Me and Abu with our Salah.

INSHALLAH!!!! ON THE “DEAD SAND-NIGGER KID” PLAYA!!!!!!!

It’s too late for all of you
Unless you know you’re Saved
Which is very difficult to do
When you’re just a (Communist/Judaism) Saudi-government-sand-nigger, day-to-day-to-day.

It’s too late for the Millenium kids you don’t have
It’s too late to feel Falcon invincible against My puns
It’s too late for your Soul, to ever make it out of here, Solo
During your primary, “first-timer” Kessel runs.

“And a hoe can’t make Me or break Me
(Yo G, That’s reserved for Mother Mary)

But she (a hoe, not Mary)
Can take Me to a motel, clothed-barely,
And work a nigga swell.” paid fairly.

****
I must have been here before
Because I fucking hate it here,
And I hate everything about it.

I hate all of you,
Your SNAKED sirens, your badges, and your monkey-nigger guns and hard drugs,
And I want you all to know that shit.
****

****
Eye fucking hate you all,
‘Just’ like you hate God,
So.....that’s ‘just’ how that GOES.

God hates you,
For ignoring Him (and Me)
And for asking Her, to take off all Her clothes.
****

God hates you
Like a ‘Freemason-Jew’ hates God,
From the Synagogue of Satan,
From the lands of ‘Gog and Magog’.

From the back side of the Moon,
To the fucking front,

God hates you all,
As you ignore Me, his **Paraclete** messenger

**********‘Just’ like a disobedient, Eve-bitch CUNT.**********

****
I don’t think, you’ll ever learn
If you don’t learn from Me *NOW*

And instead “Eye think
I’d like to un-intelligently see”
The end of monkey-humanity, as Eye PROWL.

I’d like to See everyone die
So that they can face their shadowy sins, WELL

And tell Yahweh, why the fucking-FUCK
YOU ALL IGNORED HIS ANGEL LIBERTY BELL!

You can ignore Me
For the rest of your (possibly short) miserable, Damned lives
For the rest of your miserable, monkey history
For the rest of your miserable, monkey birthday time. SURPRISE!

But that still doesn’t…….Save monkey you
From your current……(apparently-inescapable)

Monkey-Nigger-Zoo DEMISE.
****

****
You can play tough guy
And act all TOUGH
And I'll play Blue
Who likes it in the butt 'ruff ruff !'

And then you can put Me down
Instead of chaperoning your Faggot Parades
Like a faggot-lover does, on My fucking penny
Maybe you can even use a faggot's SWAT rainbow grenade !!!!!!
****

****
Eye offer you Salvation
Yet all you want is 'restitution'
You're a whore
For a dollar bill's…..LEGAL ring of prostitution.

So, hey whore
Here's a dollar, nigger, for some whatever whore-MORE
And then, when you die….

Go fuck yourself, Eye implore.
****

Whore yourself out, some more
Do what your Waco told, as you huff and puff
Lick that dogshit-Waco of a 'country'
Up the Blue-Tan doggy butt.

****
Rape all the hot women in custody
We ALL KNOW……that you ALL want TO
If you give Me *One day* to 'have authority'

I'll make 'laws' that let you.
****

Oh wait,
Aren't there already some laws that cops can fuck the people they arrest?

Eye love how you spent time making that law……

In your unaware Hell of lawlessNESS.

*****
I'm 'Divinely Proud'
To be Bestowed
With a Heavenly 'Hades Hall-Pass'

You're mortally 'proud'
...to have the 'free-will' 'pride'
To take dick in your ass.

AWwwwAAAAHAHAHAHHAHAH!!!!
****

****
I offer you Salvation
Yet you don't even nigger care
And if you do
Then prove it nigger

I'm still not on nigger TV
So nigger there.
****

I watch you quote and TEASE ME in your 'media'
Yet revealing nothing about your Source
My 'Cult of Personality' is your Soul'd Out, evicted,
'She-kept-the-dog for herself' divorce.

I typically hook you with jeers
About your wasted, absolutely-fucked kids
Never making it into the Elysian Afterlife
But the most evil men on Earth
Don't have kids……to 'just' 'hit them 'just' right.

I 'just' figured a 'Death' shirt, would let you know
…who is ACTUALLY undergoing a fearful Hades plight.

****
I watch you ignore Me
For two fucking YEARS

It's YOUR Soul, not MINE to Redeem,
So fuck you nigger,
Shoot more guns and drink more BEERS.
****

And see how far that gets you, camo-nigger
Other than a memorial bumper sticker
That no one gives a fuck about
As I laugh myself into TEARS.

****
"Nigga's talk shit
So I talk a lot of shit to
Niggas wanna diss
Fuck them and they whole crew. "

Only the real-real still can chill with Me
And the rest can't fuck with E.

"Cuz I'm the OG that'll burn ya down
The devils son-in-law
King of the Underground. "

I'm 'Still a Nigga'
A God's White-Ass One too, fresh out of a 'rut'
I'm a badass bitch, who hates a bitch,
Shaking her Babylon-Jello Bubble-Butt.
****

****

Eye Avenge and thus Redeem the world
For Sumaya's death,
And a Freemason plan, of siren'd prostitution,

And instead of asking Me
For the ONE thing Eye can offer, Salvation

You 'just' ask me ...for a niggers cash 'restitution '.

And I'll give you AS MUCH MONEY as you want
Your broke, poor, Soul-less nigger

Ring your siren some more
As Eye pull the Hades trigger.
****

****

And as a BIG German fan,
And a HATER OF BABY-DICK-SUCKING 'JEWS'

What comes next, is what determines……if humanity
Will 'just' 'win' or 'just' lose.

'Jews' are terrorists
That's why they danced on Nine Eleven
'Jews' are bio-terrorists
That's why Israel is almost up to booster seven.

'Jews' are 'Synagogue of Satan' bio-terrorists
That's why the CDC and FDA want a five-year-old injected.
Jews are terrorists,
That's why Jews in REAL power, are never elected.

****

My grandfather, (another EDWARD) fought in World War Two
And I don't care….if this would give him….a heart ATTACK

But I'D MUCH RATHER DO…..WHAT A GERMAN SAYS TO DO…..TO MY FACE
THAN TO DO……WHAT A JEW SAYS TO DO….BEHIND MY BACK.

****

'Zionist' versus 'Jew'
'Nigga' versus 'nigger'
That debate is getting old

"Just' blow that Gaza Strip-kid up,
Suck that baby dick,
And do what you're Talmud told.

It's clear that all Jews are Zionists
That's WHY they get a free trip to Israel
To show them 'just' how Chosen they are
And thus better, than apparently Ethiopian Niggers I mean Jews, and even AZRAEL

AwwwAAHAHAHAHHA!

You can't be better than Me,
I'm the Angel of Death IN YOUR RELIGION 'G'.

That goes for you, too, sand-nigger-thing number fucking INFINITY.

I know we're still all-in the Exodus baby-pool pot
Swimming out of Israeli-Saudi-Egypt, for Exodus Round Two
But, since….you're not familiar with the Fuhrer Soter's **DIVINE PYMANDER** ROLE
Let ME re-iterate how it works….you 'just' do….what Pharoah fucking tells you TO DO.

"Hoc opus, hic labor est."
You 'just' keep sucking baby dicks…I'll do the rest.

Jews dont consider themselves ‘white’
“Just” chosen to suck baby dicks
Jews dont consider themselves white
To abscond from any sinful white-ish-ness

Jews dont consider themselves white
Because their niggers are only Palestinian brown
Jews dont consider themselves white
Because Lucifer is white now.

Israeli’s are baby-dick-sucking sand-niggers
Who shoot four-year-olds in the face
Israelis are baby-dick-sucking faggots
“Chosen By God” to run this wretched Hades place

Israelis are I.D.F. sand-niggers
Dumb and ‘ignant’ as they’ve always been
Israelis are I.D.F. sand-niggers
And Eye now OWN….ALL of ‘nigger’ them.

Israelis aren’t saved
None of them get to Heaven, absolutely none
ISRAELIS ARENT SAVED, mensch
Not even your Golan Heights grandmom.

Israelis are sand-niggers
No debate needed, nor an explanation
A sand-nigger who sucks baby dicks
Is ‘just’ a sand-terrorist…..to the Healthy Baby Dick Nation!!

Israeli’s are sand-niggers
Even though they’re ‘Chosen’
I’ve chosen them to ROT with Me forever…

Jews are ‘the Devils children’
Meaning *MY* children now
And MY child……..is a baby-dick-sucking sand-nigger.

Israeli's think their flag isn't alchemical
When that's exactly what it is, you prick
Air Earth Water Fire
Are all the elements....in a baby's snipped dick!!!

Israeli's suck baby-dicks
For the trauma it causes, a young male
"Just" like shooting a child in the fucking head
It's clear that Hell is Israel.

I'm the Third Temple, sand nigger
I've built it.....inside My Soul
You're all in My Spiritual Temple now
IAM Solomon's 'final solution' goal.

I hate every dumb Jew, because every Jew is as stubborn as ISIS
And not the Osiris Isis, with a 'sun worshipping' license
But the ISIS who needs to meet the Mahdi
In the depths of their Fallen, wretched **Jahannam** CRISIS.

God hates Israel.
For sucking so many baby-dicks.
For cutting so many foreskins
For their 'Chosen' baby-dick licentiousness !

God hates Israel
And I'm God 'For all intents of purposes'

I've seen enough blood
To convince Myself this is **Jahannam** Hell.

I've seen enough crying kids
Not knowing a difference, between Yahweh and Allah
I've seen enough dangling locks of curly hair
To think I'm at a permanent Bat Mitzvah.

I've seen enough
Haven't YOU?
You haven't?
You must be an ISIS sand-nigger or 'just' a Jew.

I've seen enough I.D.F. Soldiers,
Slaying Palestinian kids, like a cop to a black nigger's head
I've seen enough dead Palestinian kids,
To warrant every still-'proud' Zionist-Jew dead.

I've seen enough
The Lord has, too.
None of you have gotten into Heaven
Fucking. NONE OF YOU.

Don't even read much of the Bible, or Bhagavad-Gita,

An 'icy, fiery prayer', just frozen in **Jahannam** Hell from now on.

I Lucifer,
A real Fuhrer of a mensch
Hate Saudi money-laundering and Zionist-'Jews'

In My Temple's pews.

The American Flag is Jewish at this point,
Ask anyone at a Tribeca bar,
And remove Hawaii from the USA,
Remove that fifty-first fucking star.

A 'Jew' playing dirty.

I'd have to imagine

Could get together and discuss, untaxxed
A Jew sucking baby-dicks for free.

I'd have to imagine
A cartel kingpin and Me
Could talk about the Bible, with his daughter
In the bathroom stall, safely.

I'd have to imagine
A foreskin doesn't taste good, "G"
"Just" like realizing
You're all Damned, as you should be.

But yet…….you blackmail your CONSTITUENTS

About your misery in Hades, un-Witnessed.

The fact

That there's a Freemason cave in the desert
Gated and labeled, with a 'G' insignia
Full of snuff-fuckcave, dead children's SHOES

Tells Me everything I need to know

.....about supposed 'Jews'.
****

A foreskin gets EATEN
In a Satanic ceremony
Where you claim My foreskin
As your Freemasonic mouth's property.

You should tax those foreskins
And all the foreskin trafficking,
To make Sandra Bullock and Ellen's faces
Even more botox-taxidermy 'ravishing'.

The Soter's foreskin
Exists someWHERE
Probably on Sandra Bullocks face, (or Channing Tatums's now feeling disgraced,)
All the while looking sexy in his underwear.

****

Have you even considered harvesting all of these dead kid's foreskins?
It's Foreskin Harvesting Delirium!!!!!
Then we can make, some "really really great"
"Dead-Nigger-Kid Foreskin Beauty SERUM" !!!!!!!

For Ellen
And Sandra's facial enjoyment
Who rub sucked, baby-dick foreskin serum, on their FACE
And enjoy it, because it's a term of their nigger Hollywood employment,

Like a 'nigger' in Hades, who anymore even CARES about 'race' ?

Don’t talk to jabbed women or jabbed men
They’re ALIENS and all deserve to get GASSED
In a chamber, as we say ‘there’s no danger’
And watch them all…….get gassed like RATS.

Gas chambers for all the ‘jabbed’
For failing the ‘nigger litmus test’
To not be a nigger, and not get any nigger bigger
With a third ‘booster’, into your dying wife’s, blood-clotted chest.

Don’t talk to ‘the jabbed’
Give them a yellow star or a red triangle and a stare,

Don’t talk to ‘jabbed’ men
They’re just faggots,

To always (with his bitch-nigger wife)

Get faggotly, nigger-jabbed AGAIN.

AWWWWAAAAHAHHAHAH!

Not by Me, unjabbed and rad, I bet you’re all glad
That this ‘sand-nigger’ fad is all grown up!

Don’t talk to jabbed men
They have been ‘Marked’
Forever and a day, like a true puss-ayyy
This Divine flint, has been Holy Spirit Sparked.

You wretched, baby-pooping skank.

Injecting your kid,
Feeling Satanically CLEVER
Like a loud-mouth nigger, with no LID WHATSOEVER,
Thinking you’re the “best Mommy EVER”.

Don’t fuck ‘jabbed’ women
They’re obviously a ‘shill’

Then, we can know for sure
Who's a Jew by December, for sure
For My Dark Winter
Of mustard-gassing, crop failure!

I just care
That you feel some *SHAME*
Knowing that you're fucked
Knowing that you're not 'Saved'.

Knowing that IAM fine,
As you suck baby-dicks depraved,
And that IAM the highway to Heaven
Smooth and freshly-paved.

The more you Jews at the 'Federal Reserve'
Think you have got anything on Obol'd Me,
The closer you absconding rats make Me want
To turn everything into nineteen forty three.

The more faggots you put on TV,
The more debt you pile up,
The more laws written by a bunch of Dead Heads
The more they amount to a bunch of nothingness "fluff".

The more sleepy ‘Alligator’ pendejos ‘in power’
That you’ve got feeling ‘Chosen’ tough,
The more ‘The People’ grind their teeth
And think about some shit thats ‘fucked up’.

The more you fatasses sit,
The more My skinny ass emits,
A luxurious scent of Kashmiri Bliss,
For your wretched, supposed Republic, COMPLETELY JEWISH AMISS.

It’s a republic all right
The Democratic Republic of Congo-ISRAEL.
Now I know why property taxes are so high,
It’s to pay for a fucking baby-dick-sucker’s abuelita’s DINNER MEAL.

Halfway around the world,
Printing money for defaulting D.C. ,
Another mysterious Jewish land grab,
Hey Kike.....don’t even fucking SPEAK to Me.

America is Israel

The Sheriff’s Department’s are the I.D.F.

Saying ‘hey, but he had a toy grenade’
”We can’t find it right now,”
”But he had it, before becoming marmalade.”

America is Israel
America is a Freemason plantation
America is a baby-dick sucking ‘nation’
With a Jewish, milk-carton, fuckcave oral-fixation.

You need some “Rothschild Baby-Dick Nicorette”
To help smooth…your snuff-fuckcave cravings…..some more

Well, those motherfuckers have been holding My crown for like two thousand years
doing 'black magick'
While laughing at you all...from their swampy-bog MIRES.

I'm in quite a mire Myself, with this one,
It's pretty offensive, honestly
Considering that Eye enjoy felling 'Blue'-marked 'timber', dying with 'bark'-beetle FLEAS,

But 'Fire prevention' isn't necessary in Shambhala
Because the WHOLE of the forest
Isn't missed for the polar-DUALITY of the DDT money trees.

If you 'fly with Me into the Sun'
'As One'
You will See

Eventually, inevitably
It's supposed to rain more
If only you could turn-off your fucking TV.

The Forest Service's budget
Is only three billion dollars.....or whatever the fuck it is,
But if you swapped it for the Pentagon's budget
There would be less fires, and more alive, (not-a-nigger) Sumaya sand-kids.

If you spent eight hundred billion dollars
Not blowing-up sand-nigger kids....or 'fighting fire with fire',
Then 'The Fire Within', would wax rainclouds thick and thin
Of your 'Spiritual' ignorance, Eye wearily tire.

If you spent eight-hundred billion dollars
Helping unite the Earth, from its Spiritual dearth,
with **My 'ONE natural greenhouse's STRENGTH**

Then there'd be a lot of well-watered vegetables,
and no more rapist-immigrant nigger 'reprehensibles'
As we all get on the same LONG-WAVELENGTH.
****

Eye 'manically' watch ALL OF your Souls ROT.
while 'depressed' at your ignorance.

I'm the Cult of (Kundalini) Personality
I don't need patience. You're ‘just’ jealous.
And don't even know what Kashmir-Shaivism is.

I'm 'rebellious'
At the Vatican that fucks kids.

You eat (human) meat
IAM a (human) plant.

You get eaten like meat.
Eye regrow everywhere you can't.

You watch porn.
Eye hate whores.
You save up money to die.
I 'die' doing God's 'Eternal Life' chores.

You follow Church Dogma
I follow non-denominational Dharma
You meditate forever, getting nowhere
While not improving your Karma

You practice Kama Sutra sex
Chasing your 'nuts' like a squirrel
Eye practice poetic Kaula Tantra
In My Mantra's whirlpool whirl.

You cake-on makeup onto your fuckclown face
Brought down here from Azazel
Some people call Me 'the devil'
Others call Me Azrael or Samael

Some people call me Lucifer
Some people call Me a serpent
Some people know who IAM
Especially a certain greedy 'merchant'.

****

You ate from the Tree of Knowledge
On the bitten Apple-back, of your porn-riddled iPhone

IAM both Trees, in The Garden of Eden's breeze,
I'm ‘God's Nigger’ to the bone.

****

You yell 'Allah Akhbar!'
While blowing up some Shi'ites

You yell 'Allah Akhbar' some more
Until Eye knock out your sand-nigger lights.

You build statues of Buddhas like Padmasambhawa
In gold, which might as well be a Golden Calf

You turn every good Dharmic Prophet
Into an idolatrous 'fundamentalist' bloodbath.

You don't know about **siddhis** and the **mahasiddhas**
Because you can barely fucking read

And when you do
You only read Tom Clancy or Robert Ludlum....both faggots indeed.

You listen to ambulance Sirens all day
IAM Odysseus

You fall into a Death whirlpool
As Eye try to save you with funny seriousness.

You're a Fallen Soul
Needing a Spiritual pick-me-up

But you're too busy flaunting your ego
In a 'rolling-coal' 'duallie' pickup truck.

****
You jump 'from one thing to the next'
Until you *unpreparedly* jump to your Death

IAM a 'dark to light' lemming with a parachute
Watching you fuck while high on meth.
****

I watch you all ROT, along with your kids, doomed
Eye watch you all ROT, as you enter My Hades Room

All kids are (Tuskegee) niggers
Ever since they couldn't consent

All kids are (Tuskegee) niggers
Thrice-jabbed with something straight Hellbent

All kids are niggers
As Mommy 'trusts the science'

All kids are niggers
When Mommy FORCES their mRNA compliance

All kids are niggers
No-one cares about them dead

Because all kids are poor,
So theres no Death Tax if they're full of lead.

All kids are niggers
As Mommy gives them a clot shot

All kids are niggers
Ever since Mommy's Soul was BOUGHT

All kids are niggers
Ever since Mommy got hitched

All kids are niggers
Since Daddy is Mommy's 'no pre-nup' BITCH.

All kids are Executive Order niggers
Ever since Herod's E.O.

All kids are Executive Order niggers
In My Moderna Hades' circus freakshow

Eye watch you all ROT
As you don't even know where you are

I watch you all Fall and ROT, DEAD
As Eye Rise, Alive...The Morning Star

I'm 'just' a bat
In a Plato's snuff-fuck Cave

Watching a child get 'Taken'
To their 'Taken' snuff-fuckcave grave.

I'm a quiet lie
I'm a secret, that you keep hidden inside

I'm every woman that you've ever fucked
I'm every woman that's made you cry.

I'm Eve
Not listening to what Adam tells Me
Like a disobedient bitch,
As I eat from the Forbidden Tree

I'm the government
Straight Satanic in camo, 'G'

A camo-nigger, will always be a camo-nigger
Being all he can be niggerly told to do
Being all he can be niggerly told to be.

I'm black
I'm white
I'm a WOP
I'm always right.

I'm the Monkey King

Read Revelation 2:17 again, (Hades-nigger)

And give Me that fucking banana.

I'm 'The New World Order'
I'm "The Illuminati's" final solution gameplan

You can bow to Me in a Star “Spangler* Banner 'Luciferian initiation'
But then.....you're 'just' a pagan.

I'm the 'government'
That governs your dumb-nigger mind through

I'm 'The People',
That you pay taxes to.....to kill your kids and you.

****

I'm the money that spends YOU
I'm the money always printed by a Jew.

I'm 'Mary the Jewess'

You don't know who that is...do you?

****

I'm the Pentagon's 800-billion dollar budget
That does nothing but evil, Trust this curmudgeon

I'm a child being raped in a Freemason dungeon
No dragons this time, faggot
But Eye see your dick is out, time to plunge in.

To that child's tight pink pussy
Soft, squishy, and gushy

I'm every paedophile 'Fed' still lurking
Telling you to 'keep it hush hushy'
I'm everything you can't believe is True
I'm everything you should want to Be and Do.

I'm your crucified shame,
Filleted in thorns on display
being laughed at and at spit

For Golgotha Round Two.

****

I'm the New World Order Pentagram
I'm the Villa Farnese

I'm one...of the eighty-fucking-thousand
ten million-dollar greenhouses (from an Eight. Hundred. Billion. Dollar Nigger's budget)
Helping you grow your organic caprese.

****

Save Me.
I'm not crazy.
I'm here to help you, tirelessly
But nigger, now you're just being lazy.

I'm absolutely miserable
Every day I hold up the Torch
Of your Atlases' Shrugged MISERY

If you're not going to Accept My Royal Kingship, bestowed from Heaven

****
Then nigger…….'just' fucking get rid of Me.
****

Like a nigger in Pennsylvania
Hanging from a tree.

Why is there a nigger
Hanging from a tree?

What does 'police' even nigger mean?
Are all cops niggers? I want my gun now, please.

What can My country even do FOR Me?
Other than ignore, brutally

Why there's a nigger
Hanging from a tree.

****

A room full of meditating Buddhists
Wearing face masks like polite niggers
Sit in front of an idolatrous golden Buddha IDOL

Which might as well be a Golden Calf
Or ‘just’ an ‘enlightened’ ‘happy fat’ Moloch
As they try to usurp The *Zhangzhung* Bon Bible.

****

A group of Chinese niggers with NO RELIGION
Who fancy eating dogs in Hades
Beats up a bunch of Buddhists

Wearing niggermasks as well
Since everyone here is in Hell
And very unenlightened-nigger clueless.

Everyone in China and America
Goes from one dog thing to the next
Never wondering about their END

And learn the hard way, to reincarnate as a dog
Running for their life, through the chandala fog
In the China and Hell’s Kitchen/Park Slope highlands.

Eight billion monkey-nigger-people
All not making it past the Moon
Not listening to Obi Won

As every three letter Agency
Decides like a bitch to ignore Me
Jealous of a ‘sun god’, saying ‘you’re wrong’.

Thirty million Peruvians
Check in with Inti
As a frat-boy trips Ayahuasca QUEASILY

Unprepared for his journey
Since he's a 'useless-eater' Hades attorney
As the locals find Salvation EASILY.

Michael Aquino sharpens his eyebrows
Thinking that he's the Temple of Set's LEADER

As every faggot in the Pentagon, CIA, and FBI
Ignore their Chosen by Shiva/Yahweh TEACHER.

A three-letter faggot says, 'chemtrails aren't real'
As the Air Force tries to 'control the weather by twenty twenty five'

As everyone in the Air Force frowns,
From My "DURRRR" Stinger missile with System of a Downs
To find out that

they're not even considered 'Alive'.

"Eye cry……..when Angels deserve to DIE!!!!!!!!!!"

A hundred million dollars
Gets laundered to the FBI in a 'gun bill'
To probably build even MORE Freemason snuff-fuckcaves

As every bitch 'American' nigger here
Becomes 'just' a hit-and-run nigger deer
And runs away in fear,

'just' dying as My nigger slaves.

****

I'M THE G.C.N.I.A.
I'm **God's Central Nigger Intelligence Agency**

I’m Lucifer
I’m the rigden KALKI
I have Shambhala in My front pocket

Twelve years as a 'judging' jury

It's TRUE.

Only IAM holier for Judging people.
Not ANY of you.

I’m not being reactionary.

Forget the DDT
It can poison half the fucking Sea,

You can clean it up only once WE

****

Roe Roe your ‘legal precedent’ PBR-boats,
Down My Styx’ moat's Ripple-s of Wade-d Sheen,
Hairily, hairily, as you 'morally' gloat,
Life is but 'The (shop-vac coat-hanger) Scream'

Even though women are for making bunny babies,
And even though I’m an OG loc,

You’ve got a hundred million thirsty niggas
that “gotta have (that pussy) like a RABBIT”

****

Your un-Holy laws
Don’t improve The People’s morality
They simply codify it....into Commie HABIT.

****

The best way
to avoid an ABORTION
Is to avoid women and their FuckClown make-up altogether
Instead of ‘legal precedent’ moral EXTORTION.

Morality cannot be coded by you men and women
Like the Wolf says, ‘love’ cannot be ‘made’
I watch you try to ‘play God’
As God watches you all, still acting ‘legally’ depraved.

Eye watch you try to play God
With everything BUT Ten Laws
Eye bet you’ll tax the churches next,
As you keep fighting Me, with even MORE ‘legal’ monkey-nigger clause.

NOT YOU.
You don’t even understand My Bird’s-Eye View.
You get dumber, the more you ignore Me,
You get closer to staying stuck in Hades, too.

And there’s obviously instances

With its zygote-nigger paws

So now you’ve got two hundred million thirsty people
Watching you ‘play God’, pathetically
As you ‘just’ won’t stop writing ‘laws’.

****

You suddenly agree with Me
that ‘church and state’
aren’t a separated, duality

Yet I don’t see one fucking Church, Temple, or Mosque,
Being taxed ‘on behalf of’
Your ‘godless state’, finally claiming HOLY ***Tzadik*** *Me*.

****

Of course even paedophile churches are better
Than the monster of ‘the (Godless, Dharma-less) STATE’
The more laws you write and nullify
The more useless you are…and the more Eye ‘hate’.

The more flips you flop
The more My Jesus sandals preach
*****The more you try to DO MY JOB******
The further Heaven gets out of your 'legal' reach.

Ahahahahhah fucking idiots.

YOU CAN'T WRITE YOUR WAY INTO HEAVEN
NO MATTER HOW YOU MAY TRY

BECAUSE THERE'S ONLY TEN LAWS TO GET *INTO* HEAVEN
AND THEY'RE IGNORED BY Congress-Blue YOU….ALL THE fucking TIME.

YOU'LL GET NEW JUDGES
THEN YOU'LL RE-INSTATE
WHAT YOU JUST SPENT MY MONEY
HELPING UN-CREATE.

BANG YOUR HEAD AGAINST THE WALL SOME MORE
MY LITTLE CYMBAL CLAPPING MONKEY WHORE.

I don’t like dead nigger-babies,

I don’t like Beyoncé’s audible rabies

But gravely,
‘Trust the SAGES’
You don’t get to make moral decisions
Codified with a Jew’s INFINITE, money-printing PAGES.

AND THIS ‘BAD FRIDAY’
YOU FAIL, STUPENDOUSLY,

You Quail-penning, ‘legal’-nigger PUNKS

YOU FAIL TO DO
MY ‘constitutional’ Commandments JOB
BECAUSE YOU DIDNT mention ‘God’

NOT

EVEN

ONCE.

I BET YOU DIDN’T MENTION GOD

To defend the life of a shop-vac’d nigger-KID

YOU GO TO untaxxed CHURCH, Mosque, and Temple
LIKE JESUS basically NEVER FUCKING DID.

YOU’RE LOOKING AT EVERYTHING

You’re looking to write ‘more’ laws
HALF-DEAD NIGGER FUTILELY

Eye BET YOU’RE LOOKING TO EVEN TAX BUDDHIST CENTERS NOW
MOST nigger CERTAINLY !

YOU’RE LOOKING AT EVERYTHING WRONG
YOU’RE LOOKING AT A CHILD IN A THONG

Confirmation-bias spraying and filleting.

You're all so fucking confused

Remember, when Eye say “I”
…I’m SPEAKING FOR EVERYONE

‘Just’ pretend that *YOU* WROTE *THIS*, SON.
****

I’m a sniper on the Supreme Court building
Following My unknown ‘oath’ to Satan
to protect ‘The People’
and the Commandment-less ‘constitution’

I’m ready to be a nigger ‘just’ like that
Forever a Heaven and Commandments expat
As My Nigger-Soul forever walks
a Hades Road to Perdition.

I’m a sniper on the Supreme Court Roof
I watch Mark Wahlberg look tall
and ‘heroic’ Bradley Cooper movies

While Lucifer calls me, a “Hades faggot-lover”
“.....And a nigger”
As my bullet drifts in a Coreolis effect’s breeze.

I’m a camo-nigger on the Supreme Court Roof
Not knowing that IAM
I can barely look Christ in the Eye

As I tell myself ‘this can’t be real’
‘How did this guy, of Lucifer’s Crown steal?’
And his scorpion Sting hurts so much....why?

“Every move you make
Every step you take
I’ll be watching (nigger) you” eat flank steak.

And support a falling-nigger empire,
As you go home and camo-fag masturbate.

Just to be a fiddler nigger on the Supreme Court Roof once again
That's out doing CIA coups, now way too late.

I'm a white-nigger with a boom boom stick
Like My Daddy and his daddy before

I recognize My daddy's soul,
when I see a five year old
That's My Daddy's Soul after being re-re-nigger born.

I'm a white-nigger with a boom boom stick
A fiddler on the SCOTUS roof,
Thinking "I'm a fucking badass"
with a nigger's 'black magick' WAND

My scrotum tightens,
as I get My nigger License
To Kill, thinking, "I'm as cool as James Bond".

I'm a sniper on the SCOTUS roof
I might as well be Gestapo SS
Acting like I'm on the good side of wrong and right

Lucifer makes fun of Me,
saying, 'nigger, that's a duality', and tells me to,
"watch Casino Royale to see a REAL mongoose and cobra fight".

I tell Lucifer that, "I'm a badass"
And that he's not James Bond, and 'rotten'

He tells Me, "one and one makes three"
And "Nigger....VEDI vidi vici"
As I start to Fear the Trinity I've forgotten.

I'm an "errand boy", on the SCOTUS roof
"Sent to collect a grocers bill"
To help up-keep the Hades "status quo"

I "just" can't stubborn-nigger admit
"My bosses are dogshit"
As I am forever trapped here, Down Below.

I'd like to disarm everyone
in My nerd nigger-monkey kingdom
Including
the forever a nigger blue-nigger cops

But you've all made so many fucking guns
It would have to be done all at once
As everyone sobs at My nerd feet,
Wearing some Hermès winged Crocs with socks.

****
I could type solutions to every problem
I could improve everything, sworn solemn

But you're all too big of ignant niggers
to listen to or ever follow them

So why bother?
As you fuck and kill each other...

This is not the Kingdom
I was 'promised' back in Twenty-Twenty solstice, end of autumn.
****

I'd like to have
My New World Order throne recognized
My *Divine Pride* is not a sin,
Nor a guise

I'm Proud to be BETTER than all of you
You're proud……to believe a vial-holding nigger's lies

I'm Proud to hang in the circles of legends
I'm Proud to be compared to **CAESAR**

I'm Proud to be a B.C. O.G.
You're proud to be a cymbal-clapping monkey
(A nigger)…and a D.C. circus freakshow crowd-pleaser.

I'm Proud to be compared to anyone who's Great
I'm Proud to be better than everyone here,
I'm Proud to call 'prideful' faggots "faggots"
I'm Proud to be ignored with your Fear.

I'm Proud to call fuckclowns 'whores'
I'm Proud to watch you cake on your fuckclown makeup in spades and scores
I'm Proud to take out the SubHuman garbage bin
I'm Proud to be doing The Lord's chores.

I'm Proud, Bon 'Rainbow Body' DIVINELY
You're 'proud', 'just' rainbowfag 'Pride'-ly
I'm Proud, *Zhangzhung* TIMELY
You're proud, to take it in the ass, BLITHELY

I'm Proud to represent something NOONE else does
I'm Proud to be only HALF a faggot, two-genders-at-once AND non-binary
I'm Proud to do Shiva's work, yet called, 'a jerk'

You're proud to walk into a library.

As you do some research
That's not Robert Ludlum or Tom Clancy
Regarding My non-fiction
That you're starting to fancy.

****

I'm Proud to be 'only' ‘HALF a FAGGOT’
You're proud to be a FULL-BLOWN one, and a ‘Qualified Immune’ nigger in Blue

I'm Proud to get a Heavenly Hades Hall Pass,

I'm Proud……to NOT BE *YOU*

Every single cop

Grooms with the C.I.A, D.O.J., and F.B.I.
Every single cop, is looking at Me now
As Eye look at every single cop, with My ‘All Seeing (monkey) Eye’.

Every single cop
Is Dead to Me
Every single cop
Doesn’t deserve MY Old Testament Testimony.

Every single cop
Will rot
Every single cop
Will eventually nigger-shoot, or get nigger-shot.

Every single cop
Is Satan, for thinking they have *My* ‘authority’
Every single cop
Will weep at My nerd Crocs and socks feet, Day of Judgement deplorably.

Every single cop
Doesn’t fix every single un-qualified nigger
Because every single cop
Is a Qualified-nigger, with an Immune, happy trigger-finger.

Every single cop
Does nothing, but *groomed goading*,
Every single cop
Is in a Matrix program, now CPU overloading.

****

Every single cop and camo-nigger
Is like every-single ‘Agent’

Every-single cop, camo-nigger, and ‘agent’

Lost their Agency to *Satan*.

****

Every single cop
Does what their groomed to do,
Every single cop
Is a ‘just’ a nigger dressed in Blue.

I have 33-year-old ‘psychiatric problems’
As I yell at My mom, like a teenager, OBVIOUSLY

knock knock……”DAMNIT, GO AWAY MOM!”

SO...NIGGER…*WHY THE FUCK* DON’T YOU ‘GROOM’ ***ME*** !?
****

Every single cop
Rots in My Kingdom of ‘Fallen Nations’
Every single cop
Covers up another cops ascending-to-Heaven hesitations !

Every single cop
Is every single nigger-Roman,
Every single cop
Needs a Roman-nigger’s Glock pilum.

Every single cop
Is like every single nigger,
Every single cop
Just gets nigger bigger.

Every single cop
Can lie in court as they wish,
Every single cop needs to become a Buddha,
As they get put on My ‘Eternal Death’ Hades Wishlist.

Every single cop
Is stuck in a duality of ‘Me versus Them’
Every single cop
Is an Immune nigger with Qualified lead.

****

Every single cop
Waits for bad things to happen in their SUBCONSCIOUS,

So they ‘POWER’ bad things to happen,
Like an Energizer Bunny, eating subconscious battery DONUTS.

****

****

Kind-of like when you tell people to, 'have an evacuation route ready'
Subconsciously Insinuating that there's going to be a GROOMED wildfire

Which is why Eye tell you to, "bring an umbrella"
As Eye turn this whole desert into a boggy mire.

****

I wanted to Flood this bitch
But Eye.....'just'.....found out
That rainbows were a Promise to not do that again
Instead of a symbol for where you like to put and pull your dick out.

Every single groomed cop
Shoots unarmed thirteen-year-old pendejos, anxiously playing demolition derby
Every single cop shoots brown kid-niggers, instead of shooting car tires,
And now needs a 'special'…Groomed…..'G'….cop-attorney.

Every single cop's attorney, in court
Approaches the stand
Every single cop's attorney, in court
Approaches with 'The Hidden Hand'.

Every single pig's attorney
Is a lecherous leper, of the God-less Hades 'law'
Every single cop's attorney
Is Me *AFTER* My Fall.

I'm Me *BEFORE* The Fall
Not YOU
You eat meat outside of Eden,
Wearing INVERTED-heptagram Blue.

Eye wear a flaming sword,
It's 'lahat chereb' True,
I slither on a Tree,
That you're no longer even privy to.

Every single cop
Is now in ***My*** *Jester's Court*
Every single cop
Will never be *The King*……..redact it from your report.

****
Every single ACAB cop
Never gives the poor, some of their own MONEY
To help get your car out, that they Blue-nigger impounded
As they ACAB quietly find it FUNNY.

Every single pig
Doesn't help your car NOT get impounded,

Every single cop
Makes towing racketeering…..a serious Blue motive.
****

Every single cop
Hates niggers and spic-nigger kids
Every single cop
ENJOYS an Uvalde bloodbath AS-IS.

****
Every single cop
'Knows not what they DO'

Other than what they're fucking told…..even if it's to NOT *ACT* 'bold'
Since that's ALL….that nigger-cops DO.
****

All cops are niggers to Me
Even the nigger-ones with highways 'heroically' named after them
All cops might as well be a cartel,
So that's what I'm going to start calling them.

It seems to Me
In the Uvalde breeze,
That you control peoples' minds,
Better than Hitler in forty three.

You send a bunch of pigs
Into one school
Then fly your MK-Ultra Army-plane
As you masturbate with blood and drool.

A dead-nigger child
Especially brown or black-skinned,
Makes your cop cock,
Feel so good as it slides in.

To your hand
In My Land
Of the Free to be
Eternally Damned.

You'll never get out of here,
You'll never be Alive,
Because every cop is a whipped-nigger,
If you catch My Hades plantation jive.

You cops are nasty
But I Comfortably know
How you Numb-ly 'work'

I'm getting pretty Comfortable
Calling cops 'niggers and cartels'
Like I'm pretty Numb...watching a whore 'twerk'.

****

I'm getting pretty comfortable
Knowing where IAM
As Eye make True Detective
As you, in a hallway, just stand.

Almost like a glitch
In My Matrix petri-dish
You are the Blue bacteria, Whore of Babylon that's growing
In My culture, revolving around 'Revelations' of Syphilis.

****

****
When unexplainable indecency occurs
It's either a wild-ride or a tamed PLAN

I can spot a lying, rotten CAVED nigger
(Spelunking into children's pussies in Texas)
Or 'just' Tim Osman….pretending he's the leader of the Taliban.
****

As True Detective and True Director
You should already dumb-nigger know,
I can spot a movie clip….
Anytime.....in My Hades circus freakshow.

****
I can spot an Eagle-nigger's movie clip
From a mile away,
Nigger-rotten and dirty

Whether it be Deep Impact
in 'escape from Ukraine'
Or Black Hawk Down

in 'real life' Zero Dark Thirty.
****

I can spot a cruise missile or Jew-art-student planted bomb
At the Towers or the Jew-Pentagon,
I can spot a Langley hard drive
With pictures of a seven-year-old girl in a 'sexy' thong.

Eye can spot a sniper
on the SCOTUS roof
Eye can even spot your Soul

The 'Spot Price' of which…...has collapsed…....poof!

Every single cop
Lies to My face,
Every single cop
Deserves the ‘final solution’ extermination of his Blue race.

Every single cop
Is an SS nigger in white (and now brown) skin,
Every single cop,
Deserves what’s coming to him.

Every single cop
Has no Agency,
Other than the ‘Army’ plane flying overhead
With an MK-Ultra agenda for *Orion*, blatantly.

Every single cop
Is a cog in Satan’s wheel,
Every single cop,
Eats meat almost every single meal.

****

Every single cop
Is the lowest-common-denominator of the ‘nigger’-low,

At least WE ALL KNOW……that the ‘niggers’ are animals
In the South Side Public Zoo of Chicago.

****

Every single cop
Thinks he’s ‘hot shit’
Just like every single ‘Hot Shot’
Now needs a body-bag oven mitt.

Every single cop
‘Shoots first, then asks questions later’
Like every single Hot Shot
Tries to BURN HIS WAY OUT OF HELL…taking the flames of the fiery-elevator.

You should’ve taken My Dharma stairs
…or the ‘humiditas radicalis’ ……’Alchemical ‘fiery water’ escalator.

Every single cop
Is hated by every single Hot Shot
As Eye laugh at both of them
For both taking My Hell’s Nigger Clot Shot.

Every single cop
Deserves his place in Hades,
Just like every single Hot Shot nigger,
Should avoid having any babies.

****

You don’t do or know anything
You scheme and plan, and WACO-nigger SWARM

You don’t even fucking know…..(nigger)

WHY YOU WERE FUCKING BORN.

****

You don’t know why
A hundred armed men sit in a hallway,
You don’t know why
An army plane flies overhead, timed perfectly.

You don’t know what you do
You don’t know what’s ‘tortilla chips Holy’
You only know how turn brown and black-skinned kids,
Into red-blood, and green-bile…..Blue guacamole.

Every single cop
‘Protects’ his own Soul,
From ever ‘Serving’ and reaching
My Elysian Spirits window!!!!

No one needs cops or the Army
That’s been made very crystal fucking CLEAR,

Eye can handle a nigger Myself,
Or just 'let nature take its course'
In the Hades Zoo of Chicago, with the enflamed (snakes and) Bears.

****

No one needs to pay you
To groom and be groomed,

No one needs a cop
Like Eye don’t need you.

****

A cop doesn’t need ‘budget analyst’ Me
Because a cop is a NIGGER
And Eye hate niggers.....so.....
A cop ‘just’ grows his budget nigger-bigger.

Eye know what happened
Eye know you hate brown and black-skinned kids, especially
Eye know you do what you’re told
By anyone except the white-skinned Soter, ‘Officially’.

*****

Eye don’t need Roman cops
Like a cop doesn’t hear, a Texas snuff fuck-caved child’s
Mid-rape, final gasping SHOUT

As fifty cops knock on My front door
Asking Me, Lucifer
What that ‘Death Wish List’ bit was all about.

*****

That’s how predictable a nigger is
Eye know exactly how you work,
You get into some hive-mind ignant-nigger bullshit
And then pull a Waco, and let ‘the press’ do all the hard absolution work.

I Do ‘The Work’
Not YOU
That’s why IAM ‘The Yellow King’, Marty
And you’re just a ‘G’-Mail-apron’d, ‘Master-kidfucking-Mason in Blue’

If we ever get together
That would make green
As Abbot bans pot and asks for MORE cops
A Rock and a hard Hades-place.....stuck in-between.

****

You're STUCK
And there you will STAY,
No matter where Eye go,
No matter if you PRAY.

You will stay here for Eternity
As you deserve
As you 'move up the ranks'
But never making 'Hades Detective', you camo-Blue turd.

Here you will stay
Here you will turn senile and grey
Eye made Detective in about three years

.....You 'just' stood.....STUCK in a hallway.

Eight. Hundred. Billion. Dollars.
To jail Me for tax evasion
Because Eye don't finance sand-nigger kid's DEATHS,

Is all Eye need to know
To spend eight hundred billion dollars
Arming three-hundred million people….with bulletproof Kevlar VESTS.

Eight. Hundred. Billion. Dollars.
Goes into the pentagram rams-head Pentagon.
'Just' one Daft Punk more time.

As they blow it all up
With a cruise missile
And hide all the security camera footage…not 'just' one more time.

A circle-jerk on money
Is all Eye need to KNOW
To See how pathetic you all are
In My Hades circus freakshow.

I actually can't think
Of a more Patriot-ic thing
Than being idiotic-Redcoat convicted
Of tax evasion-ing.

****

I can't think
Of a bigger 'nigger' WAY
To be told that tax evasion is a crime
When tax evasion, made the land of 'America'…….as it is known today.

I can't think
Of a bigger Dead nigger WAY
To be told that tax evasion is a felony
So you can make ANOTHER 'Hellfire' to blow ANOTHER Sumaya's eye-sockets away.
****

I can't think
Of a bigger anti-Alive nigger way
To be told that tax evasion is a felony
When taxes…only for Death….now pay.

I can't think
Of a bigger nigger way
Than to be told that 'tax evasion' is a Redcoat's 'felony'
It's felonius Monk not okay.

And I Truly am sorry Serena and Venus
But considering IAM ‘Venus’, The Morning Star
When you wear a fucking MASK with ‘Trayvon Martin’ or whoever’s nigger name on it
YOU LOOK LIKE AS BIG OF A NIGGER AS THEY ARE.

IT’S FUCKING TRUE
IT’s TRUER THAN ANYTHING ANY ‘(nigger) Police Breifing’ HAS EVER TOLD YOU
EVERTHING EYE SAY…..IS TRUE IN THE BEST AND WORST WAY
EYE MISS BREONNA TAYLOR, TOO.

“It needed to be said”
It still does, dare I venture any ‘nigger’ BOLDER ?
All white and brown-skinned cops are Qualified niggers
Just like every Immune I.D.F.-nigger soldier.

Faisal is a wasted nigger, now made of sand
Doc-Jay and Eight-Ball, too.

Here's how The Dharma, the Bible, the WORLD….
and ALL of Humanity …..
……from its Eden perfection FELL

One day,
Solar Buddha and Adam and Eve
were chilling, watching ApocalypseNow

And a "fucking-nigger" Lunar Roman walked up,
Doing what he been done told to do….and money-hungry-Redcoat COMPELLED.

And said (like Butt-Head),
"You....like....owe us.....like....money now"

And Adam and Eve And Buddha said
(Like Beavis)
"Oooohhhh yeah...um....but I need money for teepee for My bunghole, pal "

And then the "fucking-nigger" Roman
(Like Butt-Head)
Said, " ehhhhhh.....okay
.....your bunghole isth like….under arretht
.....for like
....taxth evasion and thtuff now"

And Buddha asked,
(Like Beavis)
"um...heh....um....tho
what's like YOUR money DO?
Cuz mine like....keeps My bunghole clean and stuff
....and keeps it not so brown"

And Butt-Head answered, (like Mao)
"ehhhhhh....I don't like.....really know.....but you should like

.....give me all of yourth....now"

And then Buddha and Adam and Eve asked,
(Like Beavis)
"Could we....um....like….thsee what this money....like.....DOESTH for your bunghole?

….Because we want to help and thtuff.....but only if it's like.....really brown"

And then the “fucking-nigger” answered
(Like Butt-Head) (with a frown)
“Ehhhhhh.....no you....like....can’t thee my bunghole
.....because the Offith of Bunghole Accounting and Budgeting just like.....got hit
....with like....thum thtuff.....downtown”

And then Buddha and Adam and Eve replied,
(Like Beavis)
“Ooooh yeahyeah.....I see what you’re saying there....yeah

....bungholes are a mysterious town”

And that’s how it ‘went down’. (Under the Bodhi Tree of Knowledge)
****Until a Mirror fell from the sky onto the ground****

And reflected everybody’s bunghole upward
(For Eve upskirted)
As everyone started to frown

And everybody saw that everyone’s bunghole

*****……Was equally brown.*****

Regardless…….of how much teepee for their bungholes they had,
Regardless……..of ‘what happened downtown’.

It was ONLY after
Kalki’s Mirror
Showed everyone in Eden
That their bungholes were all EQUALLY BROWN

That Shambhala finally usurped
the evasive ‘teepee’ tactics
and ‘T.P.’-FIENDING taxation ‘rackets’.....

Of the ‘political’ bungholes.....
.....And ‘poliTICS’.....of the Penta-camo-Vatican-niggers….of BungholeTOWN.

You've been 'Margin Call'-ed
And I'm 'speaking to you as I would a dog or small-child'
"I can assure you it's not brains that got Me here."
I 'just' read a few non-Tom Clancy and non-Robert Ludlum books once in a while.

Read *Edward* Edinger,
Read Peter Kingley's 'Catafalque'.
I haven't even READ 'Catafalque' yet, but I already KNOW…..OKAY ?
That it's one of the greatest books this century
along with 'Suns of God' and 'Return of the Cosmic Christ'…..OKAY ?

Read 'The Spiritual Ascent: A Compendium of the World's Wisdom"
Read Giri's "The Holy SCIENCE"
Read 'The Wisdom of Vedanta" and "The Alchemical Mercurius"
So we can form a new Dharma Holy Alliance.

Read "A Juggernaut of the Non-Dual View"
Written by a Buddha'd KING
Read Brandon's "The Judgement of the Dead"
The 'Dead' who are fake 'alive'…on their masked way to court, jaywalking.

Read "Jung and the Lost Gospels"
Read "Jung and the Alchemical Imagination"
Read "Moses and Monotheism" by Freud
So Jung and Freud can be friends, no hesitation.

Read "The Spiritual Ascent" AGAIN
Since all it is, is a collection of THE BEST Holy people's quotes, arranged FANCY
Read "Archetype of the Apocalypse"
Read anything besides Tom Clancy.

Read 'When Thomas Aquinas met Nagarjuna"
Read The Bible, the Torah, and the Quran CAUSALLY, EYE PLEAD
Dumb camo-nigger Hot Shot, with an idolatrous golden Buddha
…….FUCKING…….READ.

I'm kind-of tired of hearing the word 'God'
I'm kind-of tired of hearing the word 'Allah' (AKHBAR!!!)
I'm kind-of NOT tired, at hearing 'The Word' of both of them
Like I'm kind-of NOT tired, of hearing Ravi Shankar on a sitar.
Besides…….."I heard"….that the real name of God is Jehoshevod
Which is like Yahweh and Jesus and Shiva and God all at ONCE ! RIGHT !??

Ask a MENSCH, if you can avoid the dead Palestinian nigger-kid STENCH
……..."But JEHOVAH STARTS WITH AN EYE !!!!"

“Only the Penitant Man shall Pass” Joon-yah
‘Penitent Penitent Penitent’, as the cobwebs and hair on your neck REVEALS
“The Penitent Man, kneels before God”
‘Kneels’…….SHEEEEWWWWWWWW…….”KNEEEELS!!!!!”

And this one, is an itch that needs scratching
Quite 'sand-nigger fleas' scratchingly
The Quran mentions Adam, Gabriel and Michael and the big bad wolf *Iblis*
So….WHY THE FUCK doesn't it mention ‘nice guy’ Lucifer-Me !?!?

HMPH !

the Devil as ** ‘a NIGGER’ **

But if you could ‘just’ “paint Me ‘black’ “
Instead of Red, Like a ‘red door’ front to back
Then My RedMan Devil’s tail
would be My MethodMan Scorpion Stinger.
****

The only reason nine-eleven was orchestrated (by ‘Jews’)
Was so that every white-skinned Christian in America
Could now subconsciously hate all MUSLIMS

Because all Muslims are ‘just’ sand-niggers
to anyone watching them Salah on the fifty yard line
Looking “just like niqab’d-jabbed niggers……or hijab’d-jabbed HOODLUMS”

Every single ‘Christian’
Doesn’t ‘hate’ ‘Jews’ as much as Eye, *The Monkey King* DO
But Eye think we hate all niggers the same amount
As we all buy a “monkey’s-discount” ticket…….to the Public Chicago ZOO

Every single Jew
Avoids labeling their skin COLORS
Because they Truly hate everyone except themselves
That includes white goyim and their Ethiopian ‘niggers’....oops.....I mean ‘brothers’

Every single Ethiopian Jew
Feels left out, from their black-cubed brethren
As they get frisked by the KKK I.D.F.
Nine times out of ten.

****
Every single Muslim
Considers Iblis /slash/ Azazil Me,
‘just’ a red-tailed Jew

Which is funny because Eye
Azazael /slash/ Lucifer
Consider that Tzadik-ly TOO

Ahahhahahahahahhahah
****

Every single Muslim woman
Is holier than every Jewish pornstar
Because it’s very clear.....that
Muslim women….are the holiest women by far.

Not because of their ‘religion’
But because of their *Spiritual* prowess
And Here’s My GIST
Muslim women are the holiest
Because they dress like their bodies don’t EXIST

Instead of flaunting their pussy and ass
Coyote Ugly drunk, on the top of the bar
Instead of fake moaning, taking cock on film
Getting paid to be a ‘Babylon Whore’ pornstar.

****

I, Lucifer, LOVE Muslim women
Even if they become, a ‘disobedient Eve bitch’

Because Muslim women,
When a seeing a fifty-yard-line kneeled Christian…..

Don’t start to shuffle about and TWITCH.
****

Despite being bombed by ‘Christians’
Back to God: version one. point. fucking. one.
Despite being looked at their whole lives
“Like a fucking ‘towelhead’ sand-nigger in a hijab”.

“Speaking of”……wanting to fuck Muslim women’s……..tight-pussies…….

I didn’t know! You raped fifteen year old Iraqi girls until they hang themselves !
I didn’t know! You rape sand-nigger teenagers until they kill themselves !

I didn’t know!
You make two boys watch their mom get raped in Abu- Ghraib! Scaring them !
I didn’t know! You tried to turn Abu Ghraib into a MY Hellish-‘American harem’ !

I didn’t know! You made Iraqi kids say, 'I love pork!'
I didn’t know! That’s what Medal of Honors were for !

I didn’t know! You seek out tight, Iraqi, sand-nigger teen pussy in the morning !
I didn’t know! All of those sand-nigger women, are still mourning !

I didn’t know! I'm mourning for them too ! And I’m the Mourning Star !
I didn’t know ! You ‘Brave’ camo-NIGGERS enjoyed….where you so “Freely" are !

I didn’t know ! That’s why you hate Julian Assange so much !
I didn’t know ! You couldn’t look at yourself in a mirror, as such !

I didn’t know! There was so much Honor involved ! Pure Hell abomidable !
I didn’t know! Obama-dible Yeti ‘America’….was so Snowman ‘honorable’ !

I didn’t know! You gang-raped a fourteen year old named Abeer al-Janabi !
I didn’t know! That YOU didn’t KNOW……that I’M THE MAHDI !

I didn’t know! After camo-nigger gang raping a fourteen year old,
You killed both her parents, TOO !
I didn’t know ! That you then killed her ! And lit her on fire! It’s **ALL TRUE !**

I didn’t know!
You fancy raping fourteen year-old girls in front of their FAMILY !
I live with My family…….and am half-woman…….so….i mean….
…….why don’t you camo-nigger gangrape ME !?

I didn’t know ! Christian camo-niggers were the worst people on Earth !
I didn’t know! ‘Christians’ have the most Spiritual dearth! (I knew that)

I didn’t know ! Near pre-teen sand-nigger pussy was so tasty !
I didn’t know! Abu- Ghraib was a dungeon-sex-slave hub, for the ravenous and hasty !

I didn't know!
That's where all My money WENT !
But, EYE *DO* KNOW
…..Eight. Hundred. Billion. Dollars for *another* Abu- Ghraib, is money well SPENT !

I didn't know!
You "have no idea why" sand-niggers HATE 'America' and 'Christians' so much !
I didn't know!
It costs Eight. Hundred. Billion. Dollars. to keep all of this 'hush hush' !

I didn't know !
You don't consider yourselves responsible !
I didn't know !
A trial, jury, and conviction makes everything 'all good' that was 'once' reprehensible !

We could rape
A LOT of pre-teen sand-nigger pussy" OVER AND OVER AND OVER AND OVER"
AGAIN AND AGAIN AND AGAIN AND AGAIN with those kind-of FUNDS !
I'd like to taste
'Just' how tasty that pre-teen sand-nigger pussy is !
Let's do some Ukraine "test RUNS" !

I didn't know ! You didn't know…….where you (Hades) ARE !
I didn't know ! ……..you think **I'M** JAFFAR !

I mean, I'm 'evil'……..Eye guess! ……But ***WOW !***
If you're Aladdin al-Kam Uh Nigher…….then I'm NOTHING compared to YOU, PAL !

I didn't know!
You treat life like a Call of Duty video game !
As you pull the trigger on some 'towelheads'
and create another 'Dead sand-nigger kid' bloody cumstain !

I didn't Apocalyse KNOW !
You STILL treat Apocalyptic life NOW
like a fantasy snuff movie !
Medal of Honor-"Pride" 'GLOWING'!

Hence why you STILL recruit
in a movie theatre,
Right outside a Top Gun: Maverick SHOWING !

I didn't know !
I paid for leech-recruiters to sit
at a plastic pop-up table in a movie Theatre,
wearing beige, acting Proud, 'big SUCKING'

I didn't know !
I paid to help you....keep dungeon-FUCKING !

I didn't know !
This is what they mean by 'vetting' !

I didn't know !
This your 'modern' version
Of medieval blood-letting !

I didn’t know ! Julian had so much dirt !
I didn’t know ! Raping actually hurt !

I guess it does “more harm than good”
In My Hades clitoral Hood

At least you didn’t slice her teenage clit
Before you burned her and her family to dogshit, mixed with cum and BLOOD !

I didn’t know !
You offered Abu-Ghraib Nat-Sec rape ultimatums
involving drinking “reasonable cause” piss!

I didn’t know !
After piss was drank
You still rape them anyway..for physical fitness!

I didn’t know !
‘R and R’ could be so fun !
Forget surfing the buzz-cut point, Lance
We’re going to Abu-Ghraib wearing a man-bun !

I didn’t know !
All of “reasonable cause” this !

I didn’t know ! I ‘just’ didn’t !
Because I wasn’t allowed to ask !
So Julian asked for Me !
With a “reasonable cause” Hall Pass !

I didn’t know !
That’s why you want him dead !
Maybe you could ‘just’ offer him
A “reasonable” piss-rape ultimatum instead !

Or is it a dual-ultimatum?
I'm note even sure
what that "reasonably" means

Since every ultimatum
Is a duality....
And apparently not how it 'reasonably' seems !

I have "reasonable cause"
To see your white-nigger camo-monkey claws
As you drop that golden-turmeric coconut
You thought only 'niggers' held in their paws!!!

I have "reasonable (redacted) cause"
To evade ********** (some type of) taxes
for "reasonable" dungeon-rape 'black-LAWS'

Because I don't support *Redcoat* dungeon-rapes
Nor "reasonable" piss-rape ultimatums
(with the kids watching, nonetheless)
Now needing 'a million band-aids' and GAUZE !

I have "reasonable cause"
To know who NOW WRITES
your "reasonable" laws !

Since you wrote about
a quarter-million "reasonably" too many
As the South Pole "reasonably" thaws !!!

I have “reasonable cause”
To get My Stinger missile in Chicago
Or ‘just’ 800-hundred miles East of ZAGREB

I can now “reasonably” get a Stinger Missile
From a nigger in the Chicago Public Zoo
Or for ‘just’ thirty-grand on The Dark WEB !!!!

I have “reasonable cause”
To watch you waste
everyone’s money and energy

I have “reasonable cause”
To hang ***MYSELF***
Like a fifteen-year-old gangraped by a camo-clergy.

I have “reasonable cause”
To rape a fourteen year old sand nigger child,
I have “reasonable cause”
To turn it into a monkey gangrape, jungle WILD

I can rape ANY sand-nigger child I want
If you can too, as you track Santa Clause
I can hang myself in My cell, too !
Because I HAVE REASONABLE CAUSE!!!!!

You have “reasonable cause”
To give up forty-six biolabs Ukraine
You have “reasonable cause”
To be nothing, but a Camo, bloody cumstain

You have “reasonable cause”
To amount to absolutely nigger-dogshit nothing

I have “reasonable cause”
To....of a fourteen year old, START HUNTING.

Eye have “reasonable cause”

To Be *The King*

You have “reasonable cause”

To of.....Against Me....stop fighting.

I have “reasonable cause”
To send you.....”back”....to the Moon “again”

My reasonable cause, reasonably being
So that
It’s a one way trip, and not to Iraq or Pakistan

I have “reasonable cause” to fund you
to ‘go back’ to the Moon during a solar eclipse

My “reasonable cause“ being
(.....Reasonably.....)
.....so that you can overshoot it, bitch.

And “FLY INTO THE SUN”
WITH ME AS Apollo Thirteen, Eleven or ‘just’ ONE
So I don’t have to hear
About “reasonable cause” dungeon-fuck scum

I STILL HAVE REASONABLE CAUSE
TO FUCK PRETEEN SAND-NIGGER HOES

MY REASONABLE CAUSE BEING
EYE HAVE A GUN...AND THEY HAVE A PUSSY
AT THE APEX BETWEEN THEIR LITTLE TOES

I have “reasonable cause” to fuck prisoners
Just like “reasonable” cops !!!!!!!!
This ‘reasonable cause’ stuff
Is the best.....it reasonably (Moon) rocks !!!

****
I have reasonable cause
To get raped in front of My parents by YOU
My reasonable cause being
I can reasonably enjoy it like you, too !!!!!
****

****
I have reasonable cause
To flick my hair back
While getting gangraped in tax evasion prison

Because I have no income in prison
So I’m not taxed

And thus am no longer “reasonably” ‘enabling’
the Abu-Ghraib, dungeon-rape, prison system!
****

That makes me VERY reasonably happy
As I get gang-raped like a fifteen year old girl
About to hang myself, HAPPY WITH GLEE

In fact it makes Me happy

.....reasonably.

I have “reasonable cause”
To defect
like the Founding (‘three-fifths’) Fathers

I have “reasonable cause”
To throw EVERYTHING
Into the Boston harbor’s waters.

I have “reasonable cause”
To disbelieve that all dungeoned sand-niggers
‘Are made (three-fifths) equally’.....quite demeaning

My Dragon-slaying “reasonable cause” being
I’m raping them and they’re annoying Me
With their kids’ forced-voyeurism screaming.

I have two-point-three Trillion “reasonable causes”
To blow up the Pentagon to ‘high’ Heaven

“Just” like you did !!!
.....Reasonably !!!! On Nine Eleven!!!!!

“We’re the same you and I”
We’re both “reasonable” men, who ‘live’ in SIN

I ‘just’ need some reasonably-priced headphones
Or ‘just’ earplugs,
as I slide My dungeon-rape cock RIGHT IN.

I’m reasonably attracted
to ‘towelhead’ ‘sand-nigger’ women, just like you
If only her sand-nigger kids
weren’t watching Me reasonably-rape her, too.

I have reasonable cause to be Gaius Julius
I have reasonable cause to be Octavian
You have reasonable cause to be Brutus
If only everyone was ‘just’ vegan or vegetarian.

I have reasonable cause
To cross the Rubicon, now very feasible

My reasonable cause simply being.....

I’m reasonable.

****
I have ‘reasonable cause’
To rape a fourteen year old sand-nigger

TONIGHT

My reason being
My wife is cheating on Me with her loose pussy
And this child’s sand-nigger pussy is TIGHT.
****

I have ‘reasonable cause’
To make this sand-nigger drink her own piss

My cause.....reasonably being
That if she does OR doesn’t.....

Eye still get to fuck her as her kids Abu-Ghraib Witness !

I have reasonable cause
To end all of your laws
My reason, reasonably being
That Eye have reasonable cause.

I have reasonable cause
To never bury the Iraq hatchet
I have reasonable cause
To rape and kill ‘tight pussy’ Big-Pharma Nurse Ratchet.

I have reasonable cause
To enjoy being raped like a blown gasket
I have reasonable cause
To put ‘America’ into its fucking CASKET.

I have reasonable cause
To cut your FuckingHands off
For mentioning the word ‘America’ EVER. AGAIN.

My reasonable reason being
I’m the Sheikh....and you’re a disobedient bitch in My Abu-Ghraib HAREM.

I have reasonable cause
To form a “one world currency”
Because that’s all war is.....it’s a prop for
Currency evaluations....."reasonably".

I have reasonable cause
To buy oil from Russia In Euros

My reason being (reasonably)
That Russia doesn’t turn
Fourteen year old sand-niggers into gang-raped churros.

****
And remember, **AS EYE SAID BEFORE**
Since these stanzas, caused quite a Federal feral FUSS

I don't have a gun, wife, or the ability to buy oil in Euros

SO WHEN EYE SAY "I"

REMEMBER. THAT. I'M SPEAKING. FOR. ALL. OF. US.
****

"I" have "reasonable cause"
To rape an exotic-nigger tight-pussy
Mailorder Bride Ukrainian
For the exact same reasonable reason (reasonably),
that I have "reasonable cause"…to rape…an exotic-nigger tight-pussy
Mailorder Bride Lithuanian.

They're both reasonable causes
Their pussies are both reasonably tight

They're tighter than My unreasonable wife's pussy "back at home"
Who's reasonably cheating on "hero"-Me tonight.

Every cause Eye have that's "reasonable",
Is every effect you have that's 'treasonable'

Every effect Eye have that's "reasonable",
Is every cause you have that's "treasonable".

.....I'm 'reasonable'.

****

I have reasonable cause
To BLOW Mount Rushmore UP….. into *BITS*
My reason, reasonably being
That I only want to blow-up ‘three-fifths’.

To reasonably represent The People
That it “reasonably” represents, BITCH

If that’s “unreasonable”
That’s reasonably..... a shameful DISGRACE

If I can’t reasonably represent…..the three-fifths niggers on Mt Rushmore with dynamite

Then I’ll ‘just’ have to sprayPaint it ‘Black’

.....with blackface.
****

If I can’t
reasonably rape a sand-nigger in a hijab
“for national security reasons” ‘just’ like you

Then I’m going open My own Abu-Ghraib
Right on Pennsylvania Avenue.

Where I sit “Indian Style”
with My ‘O-Face’.....along with Drew
with Jasmine, Jaffar,
and cymbal-tired Abu
As we all reasonably rape Jasmine
Reasonably rawdog well-through.

“Oh! ohh! ohhhh!”
“you guys know what I’m talkin about”
OHH!

It’ll ‘just’ be a little, concrete, ‘Commie’ box,
Fasco-“reasonably”
Where any sand-nigger can get raped
In the Land of the “reasonable” ‘Free’.

Like Abu Ghraib....the ‘reasonable’ **RAPECAGE** penitentiary.

Where women smuggle SUICIDE NOTES out-of
Saying that
they’re going to hang themselves for “Free”

If they don’t get bombed reasonably soon
on My reasonable “Brave” “Free” penny.

Where the President has some Damning footage on a laptop...or two or thirty-three.

Where I can “be all I can reasonably be”
Deep in a screaming sand-nigger
fourteen-year olds tight PUSSY.

After getting recruited in a movie theatre
Right after watching a propaganda ‘movie’.

All of the military on-set-‘consulting’ paid for,

.....by reasonable Me.

Reasonably “consulting” you
Of how to EXACTLY make
Your “reasonable” propaganda movie.

Along with the reasonably-niggardly salary
Of every Camo-nigger trying to recruit Me.

As I.....The Iceman.....walk out-of
(before it even starts, brutally)
Your “reasonably-consulted”
propaganda-cause.....Maverick “movie”.

I have reasonable cause
To make a New World ORDER

My reason being (reasonably)
That Eye want to get as far away
from “America” as possible

Without crossing a border.

I have reasonable cause
To make a New World Order

My reason being (reasonably)
That extradition is too complicated
Of a global ‘political’ disorder.

I have reasonable cause
To go to Venezuela RIGHT. FUCKING. NOW.
My reason being (reasonably)
That they can’t “reasonably”
FORCEFULLY shit Me.....right back out.

I have reasonable cause
To Jump off ‘Angel Falls’
Since a Fallen Angel has jumped
Into a land that only stalls, brawls, and MAULS.

Eye have reasonable cause
To Jump off ‘Angel Falls’
Since a Fallen Angel has jumped

Into a place where nobody apparently “recalls”

“I do not recall” that
“Eye cannot not recall” this
And when I do recall it
It involves fucking a mom as the kids witness.

I do not Land of the Free recall
Fucking your sand-nigger Mom
with Home of the Brave gall

But when you have to watch it too (bravely)
I know you’re gonna sand-nigger-kid BAWL.

I do not recall
If My cause was reasonable at all
When I Camo-gangraped a fourteen year old

That had to hang herself to “resolve” it all.

“I do not recall”
Building forty six biolabs no one asked for at all

But a sand-nigger in a hijab with a tight pussy
Made it worth allllll the while, “y’all”

I do not recall
If I prefer to rape on base right in the chow hall

Or
if I prefer tight pussy, while ‘at ease’ at the bar
in a Rufi’d Boston bathroom stall.

I do not Totally ‘Total Recall’
If I raped Dorothee or Toto
At the Great Abu-Ghraib of America
shopping MALL

Or if it was Scarecrow or The Cowardly Lion of Judah
Or ‘just’ some other immigrant sand-nigger

Now taking the ENTIRE place over

.....and I mean.....IT ALL !!!!!

I do not recall
Blowing up every
Middle East apartments WALL

Now causing an immigration sensation crisis
At My Great America shopping mall.

I do not reasonably, on the stand, recall,
as I “bear false WitNESS”

‘Just’ HOW reasonably tight
a sand-nigger’s pre-teen pussy *IS*

But I know it’s reasonably tight and delicious
Since it’s ‘just’ a fourteen-year-old *KID’S.*

****
" I do not recall"
If I ever wanted Julián Assange dead
But I had "reasonable cause"
.....Even if I did.
****

Thank you, thank you.
All you, 'We the People'
That entire bit was…….well……

…….reasonable !

****
I'm the red-skinned, tailed-Devil 'scapegoat'
Getting fucked in the ass, by a fundamentalist sand-nigger WHERE IT NEVER RAINS

You know….."reasonably"….
********Azazil and Azazael.....**********
"BAAAAAAHAAAAHAAAAAAAHAAAAAA"
To 'white-Devil' goyim Lucifer Me.....

.....sound like the exact same fucking THING.....

Every single Muslim woman ’top to bottom’

Because every. single. Muslim woman
DOESN'T EAT PIG
and you are what you eat...‘bottom to top’
****

Every single Muslim woman
Doesn’t automatically assume Isa to be ’white’
Every single Muslim MAN
Needs to loosen up (to ONLY Me, not ANY OTHER ‘American’) with My quips ’Tonight’.

****Every single Muslim woman **** (when not being gangraped in Iraq or Abu-Ghraib)
****Helps keep Babylon holier than it really IS****
Because every single Muslim woman
Doesn’t Jew-jab their Holy-Martyr, (sand)-nigger (forced-voyeur) KIDS.

‘All kids are niggers’, remember?
Ever since they couldn’t consent
Ever since you stood, frozen in a hallway
Ever since you found out that I’m HELLBENT.

At least we can all “as adults”
Jew/Muslim/Christian, ”Hellfire missile” AGREE
that “Kids are the biggest niggers of all”,
Sumaya and Faisal... Abeer al-Janabi…..fifth-booster.....’dead nigger kid’ CLEARLY

At least we can all “as adults”
Jew/Muslim/Christian ”Hellfire missile” AGREE
that “Kids are the biggest niggers of all”,
As we mutilate their genitals as a BABY.

At least we can all “as adults”
Jew/Muslim/Christian ”Hellfire missile” AGREE
that “Kids are the biggest niggers of all”,
As proven by the ‘white-Devil’ Lucifer..ME

‘I see a red ***L. Rothschildi*** cage door
and Eye want to paint it black’
So it’s no longer named by a Rothschild bird-namer
Whose bird’s name....I’m slowly taking back.

Every single mediocre cop
Can’t be a sage Sufi or a mediocre Muslim
Because every single mediocre cop
Can’t wear a silly nigger-hat on top of an un-silly turban.

“Every single dang cop”
“Can’t be no Christian neither”
“Cuz Eye ain’t never seen no cop”
Wear a cross while they’re working, either.

Every single cop and camo-nigger
Desecrated their Samson hair
So every single cop and camo-nigger
Lost their connection to the PRINCE’s air.

Every single cop and camo-nigger
Must be Satanic or Jewish
Because I “process of elimination” “nixxed”
Every other option, leaving us feeling Uvalde//Abu-Ghraib clueless.

Every single cop and camo-nigger
Has got a blue-camo stick up their ass
Every single cop and camo-nigger
Needs to try some Willem Dafoe-Platoon ‘grass’.

Every single cop (like most camo-niggers)
Doesn’t discuss ‘religion’ on the job
Because every single cop (like most camo-niggers)

Secretly hates a “sand-nigger” in a hijab

Every single cop and camo-nigger
Worships their handlers and authority,
Like a proud Lucifer, too proud for Heaven
Becoming ‘just’ a snakey Satan, deplorably.

****
Every single cop and camo-nigger
Needs to know I’m King Arthur Cartman,
My Spirit sponging it’s WAY, POROUSLY

Every single cop and camo-nigger
Needs to know I’m Cartman
and needs to ”Respect MA Authorit-Ay”
****

Every single Token cop and camo-nigger
Needs to stop eating meat with Tweak
As the barbecue sauce, on your lips, SMOTHERS

Every single nigger-cop and camo-nigger
Can only eat scaled fish, not crabby shellfish
And some maize-loaves of cornbread with BUTTERS

Every single cop and camo-nigger
Is every single politician
Is every single Agent and retired one
Is always “just” ‘Gone Fishin’

“Swordfish”-ing is fine
Because I’m a (sword)Fisher of Men
I’m “The (sword) Fisher King”
With ‘seven scrolls’ and a double-edged, tongue-tied, sword-pen.

Forced Sex is great
Forced Sex is grand
‘Sexy Time’ everywhere
From My Abu-Ghraib **RAPCAGE** to Kazakhstan.

Muslim and Indigenous women
are the ‘no makeup’ ‘sexiest’ to Me,
Because Eye can only ‘look’ at Muslim and Indigenous women
Like an un-carnal daughter, Spiritually.

Instead of an Abu-Ghraib “sand-nigger whore”
with spider veins and a forced sex caesarean SCAR
Who’s now too suicidal to ever be found ‘twerking’ on top of
A (never been Abu-Ghraib raped) ‘coyote ugly’ **BAR**

I’m an Indigenous cannabis Wolf
and know a good bit about coyotes and cartels, deemed **Xibalba-Cartel** ‘SUBPAR’
I’m a mule with no REAL drugs in My donkey ass
‘Just’ named JAFFAR.

I'm the Sheikh
I'm *The First Man* 'possessed' by Kulkulkan
I'm a big big bombaclot Bob Marley fan

I've got the Gates to Heaven
in a single "Strat" Devadetta guitar
My guitar…..is the most 'valuable' one in the world
More than Jimi's Stratocaster by far.

That might not be True
Because Jimi was a Child of Voodoo
And he wrestled his own
Snake or two.

Jimi was an alchemist
James Marshall Hendrix, WE ALL WITNESS
At a time when music

My music is Freeing AND Free
It always will be

MY snake sine-wave
Beats your sawtooth-wave crappy turd.

My music is lyricless
Alas, it is universally heard
Anyone can understand My music
In My First Temple, which is your Third.

"HAHAHAHAHAHAH !" "SUCKA !"

Most people listen to music
Shouting to the annoying lyrics
Hardly listening with ‘just’ their ears

My music listens to your heart and entrains it
Unless you’re listening to it
while drinking poison-piss beers.

My music is from Swat REGION
My music is from Gandhara

I reveal this to you, your Soul owned by Satan
So your Soul can be Mine, now quite SMITTEN.

I’ve……got eighty four virgins (not getting raped by ‘American’ ‘heroic’ soldiers)
Inside My Devadetta GUITAR

You’ve……got eighty-four sluts, drinking bat-piss
At the college bar.

the Door to My PATALA Underworld,
Cracked ajar

The tempo to My *NAGA KING* songs

Feeling quantum-betwixt

As you all scream ‘Yahweh’, ‘God’, and ‘Allah’.

I don't know why. I'm a reasonable guy.

I'm The Naga King of the **Nāgarāja**
Eye help Buddha like Mucilinda, in Moksha
I'm Shiva's friend, like Vasuki
I'm the King of the West like Virūpākṣa

I'm the King of the North, too, like ***Vaiśravaṇa***
I make it rain in all directions of My Kingdom
As you, 'just' see 'The Devil',
'a serpent', now feeling kind-of CONNED

I'm a Con-Air mongoose with an umbrella,
spitting Cyrus-the-'coronavirus' jewels
I'm a Greek 'legend' from **Ottarakorai** and the Roman 'legend' from **Attacori**
Which both stem from **Uttara Kuru**, which is 'just' UttaraKHAND.

I've got eighty-four Houri-'hoes in different worlds and area codes'

******I'm a Dakini PIMP******

I've got eighty-four virgins following Me like Jesus and Mary Magdalene

As everyone calls Me a 'SIMP'.

Anyway….
Enough about *Me*.
Let's talk about YOU, a little more,
Before My FuckingHands fall off, completely.

The 'biggest issues' *Now* "as adults"
In Our 'modern' world, spray-CAGE
Are ignorance, 'petro-chemicals' (like fluoride, nitric acid, and DDT)
And a (not modern) sand-nigger's, ignorant-fundamentalist cartel RAGE.

****
Ignorance, like a camo-nigger
In the VAQ-134 'Garudas'
Who doesn't even dumb-nigger know,
THAT I'VE SWALLOWED ONE…'ignant'-nigger clueless.

As you waste everyone's money and intentionally avoid……being My Witness.
****

Cursed by ignorant 'Petro-chemicals' like camo-nigger DDT
That you don't clean up, (also ignorantly and intentionally)

Which pisses ***Me***

'Right the fuck off', all-the-way-out to DYING Sea.

****
Now Flouride, is as 'ignant' dangerous
As taking everything you read, word-for-Word LITERALLY
Because I've seen a fuckton of 'Barbarian Dharma' dumbass sand-niggers
Who's brains are fluoride FREE.

But as you'll 'recall' (as per My previous testimony) 'I do not recall' INDEED
I've seen a fuckton of 'Barbarian Dharma' CAMO-niggers, who's fluoride-brains the Bible BLEEDS.
****

****
So, as you can See
Ignorance, and reading books ‘all SERIOUSLY’
Can get you in QUITE the fucking Abu-Ghraib **RAPE-CAGE** mess,
As you all now smuggle YOUR Suicide Notes out **TO ME**.
****

So, as you can *Now* See
DOW Petro-chemically
Flouride is as dangerous as the Bible, Torah, Talmud, and Quran
(maybe even the *Tripiṭaka*)
When applied ‘dumb-nigger’ ‘golden idol’ IMPROPERLY. INDEED.

So, as you can See
Quite clearly, INDEED
Dumping a burlap sack, that has a skull and crossbones on it, into your water supply
Is some dumb-‘nigger bullshit’…..Eye ‘seriously’ ‘Jolly Roger’ PLEAD.

You know that feeling
When you finish reading something
And then say, “hmmm” and then immediately forget it?

That’s the flouride
Burning your pineal glands retina.

You know that feeling
when you research Pali phonetics and vowels
and their poetic VIBRATIONS?

So that ‘forget it’ and ‘retina’
Somehow rhyme.....with no HESITATIONS?

That’s the *lack* of flouride
In the pineal brains’ of you CRUSTACEANS.

You know that feeling
When all your water is poisoned
But it's 'good for your teeth'
So you go on rejoicing?

That's flouride, it's 'opinion' now, 'I drink soda every day' voicing.

You know that feeling
When you dump a giant burlap sack BAG
That has a giant fucking skull and crossbones on it?
Into your water supply, you dumb-nigger FAG?

That's the flouride,
Making you dumber than a 'towelhead' 'sand-nigger'
With a turban RAG.

You know that feeling
When you dump a giant Bourla-p syringe sack-of-shit's BAG
That has a giant fucking skull and crossbones on it? (and an empty pamphlet)
Into your BLOOD SUPPLY? YOU dumb-nigger FAG?

That's FLOURIDE. (and mercury, hexa-meta-sulfuric-something-or-another thalidomide)

****
You know that feeling
When *Indra* pops-up out of nowhere?
Claiming he's a Garuda Mirror, made out-of Quicksilver vitreous GLASS?

Like a boner in gym CLASS?,
Making you sit down and refuse to lead the exercises for the day in front of everyone,
As you 'just' sit still, hyperventilating on your ASS?

…….That has nothing to with flouride.

It was just a guess.
****

You know that feeling
When you think you're being poisoned?
But everyone tells you to 'just', "Read your Bible, Andy"
As their brains become UNMOISTENED?

That's flouride. And you have a choice and

You know that feeling?
When the excuse for poisoning you
Is so that lazy dentists don't have to do
What they're supposed to do?

That's flouride, and all of this is True.

You know that feeling
When you KNOW you've poisoned everything
From Southern Argentina to Northern Maine ?

Whether it be with flouride, DDT, Sunni-'extremist fundamentalism'
Or……."just" millions of Bible-reading bloody camo cumstains?

That's a 'lack' or flouride
Now unpoisoning your pineal brain.

****

You know that feeling
When everyone around you, is dumb as fuck?
and you just want to scream and SHOUT?

'Just' like your newborn baby
Being marketed 'baby water with flouride' in it
Even though ALL THOSE BABY TEETH
STILL HAVE YET TO FALL OUT?

That's flouride, making you and the baby

'Just' a dumb-nigger now…..DUMB-NIGGER-BABY, GET THE FUCK OUT.

****

You know that feeling ?
When everyone in ‘government’ is ‘just’ too dumb ?
To NOT be put under Pharoah’s
Not dumb, but quite Just thumb?

That’s the lack of flouride,
As You…..(wearing a thimble for your poison-poked brain)… from *Now* on,

Now becoming……an intelligent….non-extremist “beach bum.”

You know that feeling ?
When you try to profit
From a worldwide flouridated-water armistice ?

And instead of stopping producing ACID-SODA…you ’start betting big’.....on dentists?

That’s the lack of flouride
In your ‘smart’ banker brain
As you eat more fucking candy, and Prophet Witness *THIS*,
Like cavity-stricken, near Wiccan, Seventh Day Adventists.

You know that feeling
When you eat only ‘Holy’ Maize-chips con salsa y un banana?

That’s you…..not needing fluoridated water
‘Just’ some Elim canna and Midian’s ‘hidden manna’.

****
You know that creeping feeling
When there’s a pine cone statue

That’s blatantly making fun of
Your dumb-nigger’s frozen brain stem?

That’s the flouride clearing itself out...’men’.
****

What. Are. You. Doing?
‘Cmon bro, lighten up’
My “Hamburger Hill” TROOP

“I am.....not.....your ‘brother’ “
Did I say to spit out your fluoridated-toothpaste?
Keep brushing in a radical upward and down motion.....”SHROOP”.

(but really, ‘my GUY’)
(don’t use fluoridated-toothpaste either, since it’ll poison the water SUPPLY)

You know that feeling?
When you poison everything?
For a DOW Petrochemical stock market?

That’s you
Going to hell in a Nile handbasket
With Moses at the rudder.. ‘Anchor and park it’.

****
You know that feeling
When you don’t pick up DDT
Even though Allah has indirectly asked you to?

That’s you
Not being God’s Nigger (like Me)
But just a dumb, fluoridated-nigger or two.
****

“We all ‘just’ dumb-niggahz down here”, Doc
We dumb Niggas from nine AM to five-o’-clock.

Not picking up DDT
Poisoning the water, pretty blatantly
All on a ‘dumb-niggas’ 1040-taxed-penny,
Who just ‘Can’t Stop’ eating soda and Chili Pepper’d candy.

Need Eye continue?
Need eye say more?
To convince you that
You're a dumb, candy-eating, retarded soda-whore?

****
Once you 'connect'

You crazy-dumb-nigga

You'll find that flossing your teeth
SMELLS EXACTLY like cleaning out
Autumn leaves' putrefaction
.....From your dental GUTTERS.
****

And I mean EXACTLY.
Like....seriously,
My poem, *Now* turning ABSTRACTLY

I haven't even SEEN a rotting, deciduous leaf in California,
the entire decade I've been here
But Eye smell them every time I floss My teeth, and Eye mean EXACTLY.

You know when you load a ship
Off-of the coast of Sri **LANKA**
WITH 25 FUCKING TONS OF NITRIC ACID ?
But have never heard of the word 'THANGKA' ?

**********That's 'flouride'.**********

I'm Captain Dr. Jekyll and Kush-y *Edward* Hyde
Don't go back inside
To your 'cushy' nine-to-FIVE.
We're gonna clean it all up, while the Earth is somehow 'fifth-booster' still ALIVE.

Don't clean up DDT 'for Me'
"Tho" it's a nice gesture to *The King* certainly
Clean it up for your own Forever Home and agency.

Before it hurts you, us, vous, nosotros, and Me, EPIDEMICALLY

EVERYWHERE, NOT ENDEMICALY, AND FOREVER, NOT PANDEMICALLY

'just' everywhere being poisoned forever

**********DOW petrochemically.**********

Eye can clean up the Abu-Ghraib **RAPE-CAGE** camo-nigger Ignorance, for FREE
Eye can clean up the 'serious readers' Barbarian Dharma, Waḥdat al-wujūd fundamentally

Eye CAN'T clean up….twenty-fucking-thousand barrels of DDT
with 'just' *My* G.C.N.I.A. personal agency

And NO-ONE can clean up TWENTY-FIVE FUCKING *TONS* OF SPILT NITRIC ACID

So I'll need some help….. Waḥdat al-wujūd fundamentally.

There's so many. fucking. other things. that you could spill.
Or put into the water supply,
And Eye wouldn't give….a. flying. FUCK.

You could spill FIVE-HUNDRED-TONS of honey into the ocean, PURPOSEFULLY
And the bees
Would 'just' feel temporarily out of LUCK.

You could taint the water with lemons
Which some people
'restaurant-style' LIKE

Because lemons are good for you….and by 'good' Eye mean….
They don't have a 'Jolly Roger' skull-and-crossbones label on them,
If I can even….dumb-nigger remember that RIGHT.

People claim ‘nanograms per milliliter of fluoride’
As “an acceptable level” at low amounts
Well, in that case…..lets add My feces into your fucking drinking glass
And you tell Me, what‘s ‘an acceptable level’ to your tongue and mouth.

Twenty five (fucking) TONS. of NITRIC. FUCKING. ACID.
Is about twenty four point nine TONS too much,
To be moving all at ONCE
‘Just’ like sixteen. FUCKING. THOUSAND. NUKES.
Can do the same exact job “for all (non world-annihilation) intents and purposes”
As ‘just’ ONE.

****
At least “as adults”
We can all AGREE
That you have about ninety-nine percent (100%) too much
Of fluoride, nitric acid, nuclear weapons…..and D.D.T.

And niggers……you’re GOING
To pick it up **FOR ME**.

_(-_-)_/

(as Flipper’s Sri Lankan-skin melts off, brutally)
****

And ALL the bees are going to feel permanently out of LUCK
If you cover the entire Earth with 5G microwaves
Overheating and blowing their bumble-bee guts UP !

So you can make ‘faster loading times’
For a show called, ‘Floor Is Lava’ on Netflix
Which…..Eye…..really ‘just’ can’t believe. “I mean ‘like’…..WAHDAT AL the FUCK?”

****
‘Just’ like
I can’t believe
You’re making a movie for “adults”

……About Barbie

I’m gonna rip on this,
but hardly.

Last time I checked
Barbie is a toy
And that’s for little GIRLS

So I don’t understand the crossover into “real life”
As you do some more ‘Nurse Barbie’
Choreographed-handstands and syringe-baton TWIRLS

Now ‘Toy Story’
Was a REAL toy movie
For us ‘Sid’ “adults”
Because Eye saw it.

Except when I was watching Toy Story
I wasn’t hoping the whole time
To see their animated toy pussy
AND YOU KNOW IT.
AwwwwaAHAHAHAAHAH!

Now….the ONLY reason any “adult”
Needs to go see a non-cartoon “for kids” Barbie
And silently, ‘real-life’ adult ‘SKEET’

Is because they didn’t see
Barbie’s other non-cartoon film (definitely not for kids)
‘The Wolf of Wall Street’

So I’m not sure, what mad ‘Jew’ scientist
Convinced ‘America’ that it’s ALL suddenly…..a five-year-old, little white-goyim GIRL

But I'm convinced, that everyone Here is dumb as fuck
In My Hades whirlpool WHIRL.

Eye speak, "for us adults", non-elitist
And for every un-animated Ken with a penis

When I say, Truthfully
That 'we'

Subconsciously
'Just' want to see

Barbie getting plowed…*HARD*…by Ken
Spread eagle
Very "adult"-like.....and very Barbie-LY.

My non-rotoscoped, 'real-life' ADULT point being:

That:

A Barbie toy film,
Should be (like a toy)….not real and "for kids"……ANIMATED

Because if it's not.....it should 'just' be X-Rated.
****

As Flipper's real-life skin,
Disturbed…….very un-Lake-Placid,
Still melts off
…….from real-life Nitric Acid.

Ignorance
Is My
“Mountain Dharma”s biggest ENEMY

It comes in all shapes and SIZES
Mostly cartels, RAPECAGES, North Korea, child nigger-soldiers, and ISIS.

And the occasional
PhotoShopped ‘Real life’ Zero Dark THIRTY….a *Photoshopping-NIGGER CRISIS !!*
****

Ignorance
Is an Abu-Ghraib
‘drink your piss’-ultimatum’s **RAPE-CAGE**

Ignorance
Is you, not emailing the Kremlin
Saying that, “He’s a Buddha-Jesus SAGE”.

Ignorance
Is a vato with a vat,
Full of dehydrated, carñitas-machismo-sand-nigger RAGE.

Ignorance
Is....well...ignoring Me

Ignorance

Because the media is owned Commie-COMPLETELY
Or because
You’re a sand-nigger SUBSIDIZED BY *ME*

With ‘leftover’ Northrop Grumman **LEAD.**
****

Ignorance is Me
Ending your ancestors’ pinché-calendar FOR YOU
As you continue to load poor pendejos whom you torture-goad
Into a machismo-sand-nigger’s acid vat or TWO.

Ignorance is Me
Not owning every country and everyTHING
Because Eye own ALL your souls
Your unquenched-nigger thirst, *Now* never-ENDING.

****
Ignorance is you
Not bombing North Korea, when you bombed Japan, all half-INSANE

Because you should’ve un-ignorantly KNOWN,
All dang “dangogi” dog-eaters, to the doggy-BONE

……are ALL the fuckin’ doggy-nigger dog-eater SAME.
****

****
Slopes will eat ‘Black Dog’s in winter
‘To help keep warm’ (per cult-ural beliefs)

ESPECIALLY THE BLACK ONES !

****
Anubis likes Led Zeppelin
Anubis is BLACK
Which is why Anubis hates dangogi ‘slopes’
Chink-nigger front, to ‘doggy-nigger’ BACK.

Russia doesn’t eat dogs
But honestly...miraculously...has an EMBASSY
Eye didn’t even know that it was IN Pyongyang
In all miraculous HONESTY.

So we ‘just’ need to find “as adults”
A happy, common THREAD
That ties Russian camo-nigger alcoholics
Into China and North Korea’s ‘dangogi’ camo-nigger BED.

So since dangogi
Is ‘just’ a sweatshop full of dog meat
And since Jaegermeister
Sweats you Black Dog ‘doggy-nigger’ WARM

Then the key to ‘Commie’ World Peace
Is ‘just’ Jaegermeister-DRUNKEN DOGS

.....get on the World Peace ‘doggy-nigger’ HORN !

Drunken dog meat
That's the fuckin 'dangogi'-Hades KEY
Drunken 'Black Dog' meat
Is a bigger 'Key' THAN ME.

Drunken-dog meat
Can appease ANY cold Cossak or Kimchi
Drunken-dog meat
Is the Key the World Peace...seriously.

And since the black-nigger-dogs are drunk
They won't even feel much 'dangogi' PAIN
When you dip your camo-Commie spoon
Into their drunken-doggy-nigger BRAIN !

Kind-of like in “Temple of Doom”
When they eat frozen monkey brains
Those nigger-monkeys and their claws
“Didn’t feel a damn nigger-monkey thing.”

Although the monkeys weren’t drunk
When they were killed and frozen
So they probably felt some PAIN

Should we go back to fixing
Camo-niggers in Africa and ISIS ?
Has My drunken-dog point been MADE ?

As I do a “downward dog”
In the Pyongyang overcast fog
With Sarada Devi
And My “pet”.....black……drunken-nigger dog.

I’m convinced
That the key to disarmament
Is a steady supply
Of BLACK drunken-nigger DOGS

Like I’m convinced
The ‘Key’ to ending pork-aversive ISIS
Is to stop laundering trillions of My 1040 RAPECAGE tax money
Through those Saudi sand-nigger HOGS.

****
Like I'm Hades-convinced
The 'Key' to ending gorilla-warfare in Africa
Is to simply 'just'
Call them 'niggers' a little more 'like a BOSS'.

Like I'm Hades convinced
That My 'one world currency' coin
Will consist of a Black Dog, drunk in its GLOSS.

Like I'm convinced that Ethiopia will rise
If they become 'allowed' to export ROASTED coffee beans
So all the now-MINIMAL PROFIT ISN'T 'nigger' LOST.

“fuck it”,

The longer the Soter is on probation
The more nigger-worthless you all are

I don’t need to convince the ‘judge’ that I’m saved

You need to convince her…..that YOU ARE.

The longer you don’t organize

The less inclined IAM
To help your ‘brave’ Souls be ‘Free’.

The longer you don’t ‘Come together’
‘Right now (Under and) over Me’, a pardonable BREEZE
The longer you cum in bloodstains in a Vietnamese-whorehouse

The longer you can’t adjust the dates
On ‘just’ one ‘little thing’ in your ‘democratic’ ”system”

Into four hundred ten-million dollar greenhouses in about two-hundred countries
Stitched with pure regret, as of My nailed wrists, Eye SLIT.
****

I stitch your 'what should I eat today?'
First world problematic dilemmas
I stitch your obese TV body
Now turning into aluminum antennas.

I stitch your breast cancer 'awareness'
Into your 'fucking dumb bitch' aluminum armpit,
I stitch your 'thank you for your service'
Into your PFA drinking water, now pure dogshit.

I stitch your chemicals and compounds
Back into where they belong and STARTED,
Which is your frozen pineal gland, and enticed fiery penis
I stitch you ravenous retards, UNRETARDED.

I stitch, yet Eye tear
I stitch the ceremonial Jade mask Eye wear
I stitch your Disney-loving Mom, with Lilo
I stitch your Disney-hating Dad, both unaware.

I stitch your underwear
Your tightey-whiteys, now too snug
Your ballsack, feeling scrotum-pressured
So I stitch it looser 'just' for fun with a tug.

Eye stitch your elastic boxer-briefs,
Now absolutely perfectly-fit, yet obtained scant
Eye stitch a tag into a tagless v-neck, !?!?!

Eye stitch everything that you can't.

****
My Grace is discernment
My Grace is 'invite-only'
Eye sent out the invitations to nine-billion people
But everyone's too busy bitching about being 'Lonely'.
****

Lonely people
Need to feel ‘politically’ ‘important’.
Like a lonely hoe
Needs to keep politically twerking.

‘Politics’
Just like ‘police’
I don’t even know
What the fucking word MEANS.

****
My vowels SCREAM
My VOWELS
Keep your BOWEL movements LEAN

Eye can make anything rhyme
With a VOWEL’S VIBRATION, okay? FINE.

THEY CALL ME, ‘MISTER VOWEL-BOWEL CLEAN.’

HOW OLD AM EYE, Willard?
“SEVENTAYYYEEN”

LIKE A BOSS, Mister Morpheus, is this a dream?

As Chief takes the MATRIX PBR BOAT
FOR MORE SHIT BEERS on a Styx-river’s GLEAN.

****

Everything that you do
Is Hades-nigger pathetic
You (very timely) switch ‘careers’ to patrol teenage-TikTok posts
So Eye don’t see more fuckcaves that you regretted.

You cover your Cogon tracks
But I’m a paedo-cracker tracker
YOUR broken-twig ‘snaps’
Are *MY* NVA ‘firecrackers’.

Your Lunar attempts to control
The social media shadow-flows
Only ends in Sunlit disaster.

Eye know that cave exists
Eye know it has fucked-kids’ shoes in it
Eye know it has a big ‘G’ on the gate
Eye know you all brood over it.

I know you went to rape in it,
I know you helped build it,
I know everything you don’t want Me to know,
I know you ‘just like...can’t even deal’ with it.

I know you fuck kids
Because their pussies are extra tight
That’s ‘reasonable cause’ to fuck them
And For Me, to start this multi-angle ‘fight’.

Kids pussies are tight
Kids are white NIGGERS
Fuck that white kid’s nigger-pussy
And I’ll bring the Stingers.

That Eye traded for bitcoin at the top
Sixty grand a pop
Gets Me two Stinger missiles
And Eye set-up Stinger shop.
****

Welcome to the Stinger Shop!
As-salamu alaykum !

Muslims think they're Chosen
EXACTLY LIKE A JEW
Exactly like Infidels are everyone else
Who's not 'chosen' compared to YOU.

Making a nice sand-nigger duality stew.
For your Little Red Riding Clit Hood
Strange Razor circumcision brew.

Muslims and Jews
Have more in common, than they think or even know
Mostly being
They're all 'just' sand-niggers to Me, now in My Hades circus freakshow !!!!!!!

Viewed from Shambhala
Or 'just' on a stoned cross or two, feeling raised On High but now dying socially low.

****
A Prophet who incites murder
Is 'just' a prophetic nigger.

An infidel, who doesn't know Dharma,
Is an infidel, with poor past-life Karma.

An infidel who fucks whores, but not goats, knows
He's as ignorant, as a sand-nigger, with mad hoes.

****
An 'infidel', who isn't 'chosen' to murder
Is an 'infidel' Terton, who's found a terma.
****

A sand-nigger with a gun
Is just a nigger on the sandy run.

From rain
In silent pain
As a 'Christian' turns your fourteen-year-old daughter
Into a raped and burned, bloody cumstain.

A churro
Burned ‘Christian’ thorough
By a *camo-NIGGER* rapist
Who doesn’t read Thoreau.

****

Most ‘Christians’ are Abu-Ghraib infidels
Because they’re not Christian at all
If they were
They would know more than ‘just’ the Bible.

They’d be Me
Like Jesus
Despite all the whorish, sand-nigger, tight goat-pussy VICES
Who studied in Egypt as a teen, mysteriously

.....During the Great Nigger CRISIS.

At least “as adults”

And shouldn’t have their own real-life movies.

At least “as adults”
We can all agree
That a Barbie movie, should be cartoons
And not marketed, to losers in their forties.

At least “as adults”

At least “as adults”
We can all agree,

To get rid of Lunar-nigger TV.

At least “as adults”

Instead of a “Hellfire” missile, from movie-theatre-recruited Maverick, most surely.

At least “as adults”
We can all agree,
That it doesn’t rain as it should,
Ask the Sphinx’s striations, for Me.

At least “as adults”
We can all agree,
That everyone is a nigger here
Who has no personal agency with *Me*.

At least “as adults”
We can all agree, certainly
That goat pussy is as good as real expensive pussy,
When fucked rawdog, when you’re horny, for free.

At least “as adults”
We can all agree,
That you all need to convene
A serious jirga or shura with *Me*.

At least “as adults”
We can all agree,

At least “as adults”

Regardless of your clergy.

And also definitely Kalki.

At least “as adults”

Next to the rambling PTSD vet, you at……'just' gander
Once a 'heroic' camo-nigger commander
Eye porously Judge all with *Great Candor*
And yell 'nigger', until Eye 'accidentally' slander.

You're an innocent bystander
Watching Me follow crows, rainbows, and a salamander
Eye end up, at a Gate, to 'the Other Side'
And 'Break on through', smelling roses and coriander.

You try to be like Elysian-roses Me,
But 'just' accidentally……end-up eating oleander.

You're only option left to win the vote
Is to pump your meaty stomach
And to 'just' 'divide and conquer'....to gerrymander.

A nigger to an 'economic' jigsaw-whip puzzle,
A nigger-dog in North Korea, with black fur and thus skin.

A mulatto, in a *Xibalba-Cartel* bat-piss vat
An albino, seeing two repeating black cats

Eye watch you all rot

Typical. And getting ever rainbow Pride gayer.
I'm Ready as "First One" Player
You 'just' go for Hades Mayor, Percival, and turn greyer
Asking Me for some Aspirin or 'just' Bayer.

I'm a Soul surveyor
I've plotted and have My GIS CERTIFICATION,
I've plotted enough lost, STUCK, *Trapped Lunar Souls*
To earn My Spiritualized, Solar VACATION.

I've made a new Book of Life nation
You're a 'blotted-out' crustacean
Who eats shellfish against the Bible's behest
Now coming to terms with your own trepidation.

The implication
Of our Fallen desiderium derivation
Is that I'm a flaming sword LAHAT CHEREB
And you're just a 'whitey' Christo-fascist 'nation'.

If a government were truly ‘by the people’
Then the people would fund the state
With whatever value they please, instead of begging on their knees
To not have their assets seized, by an agent feeling totalitarian ‘great’.

If the government were ‘for the people’
Then there would be a universal income stream
In addition to your thirty hour workweek
Because forty hours is too much, you know what I mean?

The state has a monopoly on money
and thus perceived value
And thus, the state
has a monopoly on the value of your Soul and thus the value of you.

And as you get your third jab
It should be crystal clear
Your value to the State and military is worthless
My triple-jabbed dear.

If billionaires paid ‘their fair share’
Then the oppressed and poor, wouldn’t have to pick up all the slack,
But that will never occur, because the system was designed in a colonialism for-profit blur,
Under a military-industrial, ‘big pharma’ hack.

Gut the IRS
Gut the whole ‘Service’ thing
They already don’t collect from the billionaires and trillionaires they should be collecting from
And thus they don’t ‘service’ anyone, except the guy who donates to charity with his ‘bling’.

You seize my crypto-commodity money
as I build verified water wells in Africa for struggling thirsty people
You don’t collect any money from the Vatican,
that has a gold-covered steeple.

You collect money from the poor
You collect money mostly for fake space missions and war.
Eight hundred billion dollars a year for the Pentagon’s jabs, plus whatever’s in Ukraine
You collect money….to only be able to collect more.

You all paid the Pentagon
To research mRNA,
as they inject you with it three times, so you can keep your job
Much to your ‘Land of the Free’ dismay.

Your money is privately owned
By a very few group of evil people
They've owned your money since Bible times
And we're on a the brink of a new World and timeline, for real.

Speaking of Bible times
This place got flooded last time…for corrupted DNA
Sound familiar?
I have an Ark on the way.

If the people had a basic income
They wouldn't need to sell drugs, to 'make ends meet'
They wouldn't need to prostitute their bodies, or Souls for military-industrial lobbies
As they smuggle cocaine in the Mexican desert heat.

If the people had a basic income, and a deeper purpose in life
They wouldn't need to do drugs, homeless, purposeless, and bored
They could learn about Buddhism, or even Kashmir-Shaivism
And what makes them actually closer to the Lord.

Who is doing all of these hard drugs?
I've done enough drugs to know they all suck, except some marijuana bud
Who thinks injecting people with 'clean needles' helps cure an addiction?
Who thinks you 'get clean' by running through subsidized mud?

If the 'war on drugs' worked
Then it wouldn't be a duality
Of cartels versus policia, along with invaded opium fields anesthesia
As it has been for the last half century.

If people weren't damn near devils
Then they wouldn't have demons to quell
With a meth addiction, Hellishly smitten, or a prescription re-written
Always under a 'pharmakeia', demonic spell.

That's a Bible reference, if you know it….like I do, quite well.

All cartels are paid in cash and even cryptocurrency
And all cocaine is suffering, honey
If you became truly sober, then there would be one less mule rover
Drifting through the desert for money.

If everyone had a basic income
They wouldn't need to smuggle drugs
If everyone had subsidized greenhouses full of organic food
We might all be happy for once.

You don't need to make a profit
to make it into Heaven while on Earth,
You need a prophet to lead the people, without a specific mosque or church's steeple
To calm their financial nerves, emanating since near birth.

You deserve to run a small business
You deserve to build houses and global infrastructure
You don't deserve to need an accounting firm
To be a small-business owner.

> You deserve to save up money
> Although it's becoming quite the scam
> You can have everything taken from you
> If you start being too Free of a man.

You deserve a 'comfy retirement'
Although it would be nice, if it was subsidized fully
'Respect your elders', Social Security needs some more propellers
To keep that Titanic boat from sinking by a Federal Reserve, big banker bully.

All your money is privately-owned,
it has been since the Titanic, for a century
I know that's hard to hear, since you all treat fiat-money as God, dear
If it weren't, what would be the economic inventive, for the existence of a top-down 'country'?

> A country is nothing more than its military and money
> That should be clear in 'Land of the Free' America by now
> Where all religions are tolerated, as more subsidized jabs get Communist-mandated
> And yet no-one is as Holy or Free as Me somehow.

People's nationalism, has replaced Spirituality,
People's national Pride, has created a Middle East nightmarish snuff gallery.
People's chosen Prophet and nation has only created a duality,
People's reliance on one monopolized form of exchange, has created silent brutality.

You don't need to be 'rich'
To be full of My Holy Spirit
You need to find your sublimated Soul for free, with the help of Me
If you can even bear to hear it.

Sublimated meaning risen
Sublimated meaning corrected and fixed
Trust Me, I know we need some Body into Spirit Soul sublimation
Trust Me, I'm a sublime alchemist.

Besides sublimation
We need subsidization, and a deep Soul search
But only subsidize that which is natural and good, that benefit the world
Not a war or DARPA mRNA research.

I need some water, is that okay?

> Now….If people always had clean water
> Then they wouldn't have to drink it, privately bottled up
> A world-wide subsidized initiative,
> To make water and food the main economic engine's derivative
> Would help Me to finally shut up.

If the Pentagon's eight hundred billion dollar budget
Could finance eighty thousand, ten million dollar greenhouses, annually
Then no-one would starve, full-time worker or just a homeless-bum in your yard
As they head down to pick up some fruit and vegetables for free.

Private property
Seems lonely to Me
But you deserve it
You 'own' that land, from a redskin killed brutally, paid for by your Lincoln penny.

But even Indians had private property
Amongst their own teepees
And then some socialist buildings of public importance
A nice mix of economic policies.

If people weren't so ignorant
Of their current economic trap,
Then they would revolt en masse, right after Southwestern Church Mass
Saying, 'there's a Grand Canyon-sized wealth inequality gap'.

The stock market
Is where all profits go

It's where all inequality lies
It's why everyone's a billionaire or almost broke.

The rich will never give up their assets
Not even to make a better Satya Yuga New World Order Pact
Which is why 'the people' here, require a bottom-up system, dear
To finance everything, that they currently lack.

If the people didn't watch TV
Then they could get into Heaven for damn near free
As they head down to the subsidized library
And read a book or two about how to become like Me.

Distracted by everything in the world, especially sports and a politics' duality twirl
"Nothing in life (except Death and water) is free."

And even free, unflouridated clean water is getting hard to find, truthfully.

None of this is easy,
to fully implement
But It's much easier with a buddha, instead of a room of bankers ignoring Rudra
As they constantly are straight Hellbent.

If the people knew, that money can't Save you
Then the money would flow, like water,
Damn near free, despite all the 'economic uncertainty'
As the World slowly trades places between The (Dark) Prince and the Pauper.

If there were no Forex and exchange rates
Then money would be universal
Like water and air, and a good prayer
This is the New World Order dress rehearsal.

If money also were a bottom-up public commodity
Instead of only a top-down privatized entity
Then it could be generated in a bottom-up economy
Since we all know trickle-down economics works only for trickling war and weaponry.

Even if there were no borders,
then the people would still stay……where they feel most comfortable and 'at home',
Which could be anywhere, that there's clean water, organic food, and air
Summer camp for the kids, and a good public library to freely roam.

You should be able work everywhere, easily
Yet Eye have nowhere to work
I can't focus on anything, other than humanity's ignorance and misery

As everyone calls Me ‘a jerk’.

You don’t understand my Universal Truth
You don’t understand, why every Lunar government is afraid of My Solar hue
You don’t understand that I know your ancestors better than you do
You don’t understand ‘serpentinization of long-wavelength lithospheric magnetic anomalies’
And what COVID really is…..do you?

> You don’t know these things
> Because you’re paid not to
> You don’t know why Jesus was considered so dangerous
> You don’t know much….do you?

You don’t know why,
Konark Sun Temples in India even exist
You don’t know why
they even vibe with Indonesian Buddhists.

You don’t know what ‘sunyata’ and ‘other emptiness’ is
You don’t know Dzogchen Atiyoga, culminates in Deliverance.
You don’t know what ‘white Tantra’, and ‘yab-yum’ even is
You don’t know the Sun and Moon, have conjoined in Me, in a miserable Bliss.

Eye hold the weight of the world’s ignorance
Eye hold the entire Atlas Shrugged
Eye hold every mischievous smile, by a Solar Astronomical Unit mile
Eye hold everyone in My Spiritual praxis, about to be Ignorance mugged.

You don’t know, there was once a world civilization
You don’t know, we Fell into a desiderium derivation
You don’t know, what was lost, as you founded your two hundred ‘nations’
You don’t know a million dead redskins, had the key to oblation.

Every dead redskin,
was murdered on a government’s salary
Every remaining redskin,
Also Sees My nightmarish snuff gallery.

I’m barely here
I don’t want to be here anymore
The lack of True purpose, besides dying with a retirement account that’s not worthless
Has me depressed I admit, and I’ll admit it some more.

Governments full of ignorant people
Unaware that they're working for militaries and 'wicked King' central banks
Governments cannot solve anything
Unless there's a universal Spiritual solution within their nuclear military ranks.

Every central bank logo
Has something in common with another
The world is run by psychopaths with nuclear weapons
Who don't consider a poor person their brother.

It doesn't matter the central bank
It doesn't matter the military or country
Nothing will EVER be solved
Only with more-or-less top-down 'money'.

The people need to feed the Antichrist Beast to tame it, from the bottom-up
'Trickle down economics', is all caught up in private company stock.

This is all rather difficult to comprehend
The road to Salvation is non-dual Taoism and also razor-thin
Occam's Razor is My means of deduction
As Eye take a Pulitzer Prize photo of a starving-child's last, gasping whim.

Money will never fix everything,
Unless only the people printed it, like water, a commodity, for free
But then what would the value be
……..of money?

What's the value of Moses' 'cracked rock' water when you're really thirsty?

Everyone needs the Tower of Babel to fall
Divide and conquer…..we have been divided and conquered, y'all.
There used to be a world society, way way back in BC,
spring through winter, summer through fall.

I don't know why
that's so scary
There is a Truth to all religions, even perceived atheistic Buddhism
and not just barely.

Now everyone needs 'visas'
Everyone needs 'proof of vaccines and income'
Everyone needs too many things

To go anywhere or do anything anymore, and then some.

Everyone now needs to be a tax expert
Everyone now needs a lawyer to represent
Everyone is guilty of Falling from Grace
Until you Prove to Me you've Returned to being Innocent.

I can't understand
A single IRS instruction in this supposedly free Land
I can't comprehend all of the rules and regulations
I just can't do it, as a Free Man.

I'm now indigenous
I'm now about halfway through this
I'm unable to follow all of the rules
Because the rules are written for the rich.

Who own the private-entity that prints all the money
Who sank the Titanic, to build the Federal Reserve buddy.
Who know war is profitable despite being unfunny
They laugh, as you die, using their funny money.

Everyone needs guns to protect themselves,
though like Waco and all the dead burnt kids, it doesn't work
Everyone needs guns and nukes, to be better and better thugs
As you do anything but follow Me, Christ the Buddha, you jerk.

That's right,
you heard Me correct
I'm a Pur Land buddha like Christ, I'm like Jesus or Mohammad, girls and guys
so show a little bit of respect.

There hasn't been someone like Me
In quite some time
I'm a guru or two, here to help Fallen you
I can turn your monotonous day-to-day activities, into the enlightened sublime.

You don't have to believe Me
I've already convinced half of the government
Ask anyone with a Top Secret clearance
About their wonderment.

Of course, you can't find anybody with a Top Secret clearance
Because that's how a government works
They erase from history, anything and anyone threatening their power

And usually kill the person involved….those jerks.

I may be murdered
So know that I am not suicidal
Although I certainly feel miserable stuck down here
Watching you all, in this Hades recital.

You will never fully understand
The power available, to a fully free Man
You must first become a soldier of Yahweh's grin, you must first rid your ego of all of its sin.
And only then you may catch a glimpse of the Promised Land.

I have psychic powers
I make people think a certain way about things
I cause worldwide pandemonium as Eye fly into the Sun
I'm a Fallen angel without the wings.

> You need to want to work
> for the good of *My Promised Land Kingdom* instead,
> Regardless of free-market pay,
> as long as you're sheltered, clothed, fed, and can take some vacations, it's okay
> I will feed you with Heavenly, unleavened bread.
>
> That sounds communist, doesn't it?
> But just because I'm the Captain, on the top deck
> It's rather socialist, but with many capitalist opportunities
> To help keep everything in check.

> Let me guess
> You 'deserve' a boat
> You 'deserve' an airplane
> Like some people 'deserve' a castle and moat.

You deserve chasing toys
You deserve being considered little boys
You deserve every distraction spoon-fed to you
You deserve what you get with your Spiritual toyish decoys.

You do deserve water-skiing
Your kids do deserve summer camp
All of the best things in life should be subsidized
Instead of the only thing majority-subsidized…war…as you say 'but we just can't'.

Subsidized programs, don't make a profit
And because of that, they can sustain
Subsidized programs make everyone an equal
…..Equally poor….if they're underfunded and in the rain.

Everyone struggling deserves to stop having so many kids,
Everyone struggling deserves a subsidized international vacation
Everyone struggling deserves to stop their masturbation
Everyone has no idea what State of Mind IAM in, but everyone has hesitation.

Everyone deserves the ability to spend as much as they capitalist want on a subsidized vacation
Everyone deserves a unique blend of economic policies, to help 'stave off' top-down inflation.

Everyone deserves bottom-up economies
Everyone deserves to have cryptocurrency treated as an untaxed public commodity.

Everyone deserves the ability to pick up the groceries, locally
at one of eighty thousand subsidized greenhouses, nationwide or globally.

Where you get paid from an annual fund
To help the plants not get moldy
Where you raise a few goats and learn some Arabic
After work at the next-door library.

Eight hundred billion dollars annually for the Pentagon
Could fund eighty thousand ten-million dollar greenhouses from now on.

I would like to see some $800B dollar Pentagon budgets
For some quality, public infrastructure projects
With a nice graph showing how much is needed per person
To fund eighty thousand, ten million dollar, subsidized greenhouse budgets.

Who cares if everyone gets crypto rich?
It's better than everyone being poor.
It's better than a few billionaires owning 90% of all wealth
It's better than printing more more more more more.

If you don't want to sell your house, you don't have to
A million people can buy it, but they're not allowed to.

If you actually wanted to reduce inflation
With your Inflation Reduction Act
You wouldn't have printed several trillion dollars over the past three years

As you deny a kidney transplant, due to an unjabbed's refusal to make 'the jab' pact.

You deny the people life-saving health care
As you entrap them with mandatory slow-death suicide
You do some choreographed handstands in the hospital
As everyone on a ventilator, intentionally doesn't make it out alive.

You block therapeutic remedies
You stifle natural medicine men
You kill anyone who's a threat to your monopoly
Or throw them like Wilhelm Reich, into 'the Pen'…and then murder them.

As a buddha who is the cause and effect of COVID
Let me tell you a little bit about what being a buddha and the Christ means
When we all fly into the sun during a Solar Eclipse , the wicked kings call it CORONAvirus
And it means being able to Judge you all, as a messenger of The Lord with ease.

Who is at this point, not a completely separate entity from me.

IAM holier for judging everyone here
I am holier than all priests
Because priests don't have psychic powers like Me
And haven't fully conquer their dark tendencies, apparently.

Let's talk about duality
Since all salvation is non-dual
All duality is…is war and stadium sports
The very things your taxes pay for, you fool.

You being underneath a power structure is an oppressive duality
You versus Me is a duality, too
All of these things exist to trap your mind in a duality
So I am here to help all of you….citrinitas non-dual.

> Eye watch you all rot
> Eye watch you claim I'm psychotic with 'delusions of grandiosity'
> You have no idea the grandeur of a buddha and the Christ
> So you have no idea of My true attempted generosity.

Eye watch you all ROT
Never making into Earthly Heaven

Doing what you're told, by an FDA thinking its God and thus Gold
I'm the Solar Sun, I'm planets one through seven.

I'm a macrocosm of the Universe
I'm written in the stars
I have hundreds of books explaining all of this
But you're too busy poisoning yourself at the sports bars.

It's difficult to face your own Soul
As you wear a mask out of fear
Do you really believe a virus has been floating around in the tropical air
For now, the third year?

Eye watch you all turn into Nazi China
Who hates Buddhists and asks for 'vaccine papers please'
To even get a job now, you need to fake being a vacca-vaccine cow
Vaccine's root word is vacca, meaning cow…you didn't know that did you?…GEEZ

If you keep this up
You'll get boosters until you kill yourself and die
Do what you're told, don't act bold
Or you'll suffer a fate like this guy.

"You can't handle the Truth"
You can't handle being God's sleuth
You can only handle government instructions
and the 'papers please' orders given to you.

You can only handle digging your own grave
You can only handle being basically a triple-jabbed slave
You can't handle building a better world
Because you're not as Holy as Me or as brave.

The longer I am not admitted as the King
The closer 'the rules' will take you all to Hell
The longer you don't believe who I Am
The further you lose the Truth about yourself.

If capitalism is a free-market economy
Then money itself is currently communist at best….honey
Because there's no free market currently
….on the creation….of money.

The money is just the bankers' State

The State is just bankers money
The very rich don't care about building a better world
Neither do the very poor…..just middle-class-'Middle Way' Me, buddy.

That's a Buddhism reference, honey.

Leavenworth
or Lejeune
That water tastes good to Me
Doesn't it taste good to you?

Do you want some cash recompense
For your cancerous stew?
'Play stupid games, win stupid prizes'
The Middle East taught me that, how about you?

Who gave the Taliban all those guns?
Who makes them hate Christianity, despite Jesus being in the Qu'ran?
Who bombs Iraqi and Afghani kids, and makes them say 'I love pork' just for fun?
Who rapes Muslim women in Abu Ghraib, until they become a suicidal one?

You sanction cryptocurrency coin mixers
Claiming 'nuclear program financing'
Only the US has used nuclear weapons, so
The US should be the first to disarm itself, always hypocritically menacing.

How do I know,
You don't 'CIA black-budget' secretly pay
Kim Jong Un through Saudi Arabia, to scare everyone into subservience
Almost every day?

How do I know
Where all the Saudi money flows?
As everyone in Congress all somehow knows to buy more Raytheon and Lockheed stock,
Right as it starts to rise and then just bull-market goes?

How do I know
Who funds ISIS?
When the Taliban just got a bunch of guns and helicopters
Directly from a poorly-and-well-planned Army's withdrawal crisis?

How do I know
the difference between China and the US's history, both being erased
When I can't find any info on Tiananmen Square in China
And I can't find any info on Wilhelm Reich's orgone accumulators in the first place?

You don't know what I'm talking about
Do you? With a puzzled face.
That's how hard it is to find information
That's been, by the government, erased.

The biggest problems for world peace
Are ISIS, China, and North Korea
Why don't you tell them I'm a buddha, so they can get some religion besides their military
And then offer a plea deal, to in the middle, peacefully meetchya?

No-one in any country is making it into Heaven right now
No-one in the Amazon, is enjoying deforestation, turning it grey and grim
No-one in ISIS knows that I'm the Madhi
No-one in North Korea knows that eating dog meat is a sin.

No-one in China knows about Tiananmen Square
No-one in the US knows about Royal Rife or Wilhelm Reich
But the latter was murdered in prison after having all of his research burned
Kind-of exactly like a Nazi book-burning Third Reich.

North Korea needs a buddha
Like the US needs Christ
Like Africa needs water wells
Like the Amazon needs to not be priced.

ISIS needs the Mahdi
Like the world needs to disarm itself
If that sounds too utopian
Then someone please detonate something and take us to World War Three Hell.

> Everyone with nukes
> Is like everyone with guns
> Once you have it and push a few buttons
> It's inevitable that you're going to use it, even 'just once'.

Ask any cop who has a gun and Qualified Immunity to freely kill someone.

And you all pay for this with your taxes
It doesn't matter the country or regime
Hell is empty, all the devils are here

Ready to use nuclear weapons, for forever it seems.

I'm tired of living in 'what if' fear
I'm tired of hearing about nuclear programs, militaries, and terrorists, dear
I am the New World Order if you didn't know, drawing near
There's sixteen thousand nuclear weapons, 'use them or lose them', that should be made clear.

There's sixteen thousand nuclear weapons out there
Hiding in the back of everyone's mind, for a World War Three scare
The seventies seemed much more peaceful, and no-one seemed to care
I'm just laying out the Truth, laid bare from God's chair.

> I speak to you from God
> I speak to you as 'responsible' adult MEN and as a Holy FRIEND
> The only reason North Korea and Iran want nukes,
> is because, like a child wanting a toy….
> …….EVERYONE ELSE HAS THEM.

I speak to you full of the Holy Spirit
I speak to you full of Christ
If you want to 'lead by example'
Disarm yourselves together, instead of paying the ultimate price.

Because you're getting close
To all becoming ghosts
As every military and tax agency in the world
Tries to have the most.

You NEED a New World Order
You need a peaceful disarmament solution
You need something in common besides all having unused nukes
You need something besides penalties, taxes, militaries, interest, and restitution.

> If that sounds too utopian
> Why don't you put Me in charge of everything
> You have no idea who I am or why I'm here
> You have no idea about anything.

Tell ISIS I'm the Mahdi
Tell North Korea and China I'm the buddha
Tell Russia I'm Christ
Tell India I'm Rudra.

> You don't understand
> what just happened
> You don't understand what happens on a worldwide scale

when a single person becomes cosmically connected.

But those ‘in power’ do,
calling My Solar Eclipse’s Corona ‘a virus’ to you
Solar Eclipses mean something Universally True
You got sick due to the Earth’s magnetic fields, now being part of Me and you.

I hold indigenous knowledge
I hold the Torch of Certainty
I hold the world’s greatest secret
I hold the key to immortality.

I hold the Keys
To death and Hades
Jesus the Christ said that and I’m Christ this time
So get weak in the knees.

I’m the buddha
I’m Rudra
If you don’t know who that is
I have some Hinduism books for ya’.

Socialism works for people who can’t work
But it can turn into military Communism quickly
Because when there’s a monopoly on money or guns by ‘ruling class’ thugs
Everything turns sour, murdered-by-cops sickly.

I advocate for drug dealers,
having their hands chopped-off though, full-stop
That should be a good time,
For any cop

“And if your hand—even your stronger hand—causes you to sin, cut it off and throw it away. It is better for you to lose one part of your body than for your whole body to be thrown into hell.”

That’s a Bible quote, that I know quite well.

If you got your hands cut-off, for doing ‘narcos’ hard drugs
Then you wouldn’t even be able to wipe your ass,
If you got your hands cut-off for selling hard drugs
Then you wouldn’t even be able to wipe your ass after Mass.

Leaving quite the mess between your thighs
Like self-aborted baby, after a third mandatory 'COVID' clot-shot's surprise
***Eye started and ended 'COVID', guys**
The Corona of My Eclipsed iris, is your Shameful-Soul's 'virus' demise.

Everyone here in Hades needs the high of profit and the high of more vaccines and hard drugs
No-one wants to build prophetic temples anymore, just more vaccines and ghost guns
Everyone needs the high of profit, a natural financial drug
Because there's no profit involved in building Temples apparently….you vaccinated thugs.

You don't want to be this Holy….yet
You can barely handle It
So you deflect and squirm, like a bothered worm
As you follow some more vaccine orders for a bit.

The blown-up by a HELLFIRE missile Afghani kids aren't important anymore
They're all dead now, from a HELLfire missile, so who cares
Two year old Sumaya, or Ahmed or Faisal
I forgot Zendaya….I like all of your eyes' stares.

Eye, Christ, can in Good Faith, no longer pay
To finance mandated injections, or to blow little children away
Accident or not
The world has become an ashtray.

Still only an ashtray metaphor
But use those nukes, Eye implore
I'm tired of waiting for the next war
So let's get it started, World War Three AND Four.

We blew those kids up
You and I paid for it, too
So put me on trial for being an accessory to murder
Just like all of you.

DO you know how the world works?
Do you know who owns most of all the money?
Do you know why every central bank logo looks strangely familiar with some type of eagle?
Do you know why I find all of this funny?

I find it funny that the United States Military Industrial Complex,
Had forty-six biolabs in Ukraine that no-one voted for or knew anything about.
I find it funny that they United States has drones, with aerosol sprayers for bio-terrorism
While claiming that they don't, and that it's a Russian conspiracy theory now.

I find I funny that everyone works so much
That they constantly need a well-deserved, yet unaffordable vacation.
I find it funny that the Pentagon needs an eight hundred billion dollar budget per year,
while only using three billion to pathetically try to end world hunger and starvation.

That's two hundred fifty times the amount of money
Being spent on updating aircraft and bombs
That could be used instead…..to bomb people
with some vegetable gardens full of bananas, mangos, and palms.

I find it….for lack of a better word….funny
that one and a half trillion dollars for some updated nukes, never to be used
Equals ten times the amount of back taxes, awaiting payment,
as you, a government entity, sit there, paid by them, mathematically un-amused.

I find it funny that one and a half trillion dollars for updating nuclear weapons
equals fifteen hundred billion
I find it funny that one and a half trillion dollars for updating nuclear weapons,
equals a million and a half millions

I find I funny that the budget to end world hunger is only three billion
I find it funny that the budget for updating nuclear stockpiles, never to be used, is one point five trillion

I find it funny
that the budget for updating nuclear weapons, never to be used, is the 'let's end world hunger' budget….times five hundred
I find I funny that the annual budget for the pentagon could build eighty thousand ten million dollar greenhouses, and then a couple more hundred

And when I find things funny, I actually start to cry
Because what's 'funny' to me, isn't funny at all, nor should it be, none of this is a mathematic lie.

I find it sad
That tax-funded cops get away with murdering Amber Alert hostages
I find it sad
That Sunnis and Shi'ites still have their heads in the sand like fundamentalist ostriches.

I find I sad, that updating nuclear weapons for one-thousand-five-hundred BILLIONS of dollars
has no real reason to occur
Unless you have 1.5 Trillion reason why we're going to need them,
and then I must ask…how are you so sure?

I find it sad
That I pay to get taxed for a privately owned bank's interest on public debt
I find it sad
That all of the people who started the 'public' Fed…none of us have privately met.

I find I sad
That war is profitable
Like I find it sad
That war is abominable

I find it sad
That capital gains taxes are only to build un-needed nukes
I find it sad
That my courtoom crypto's missing taxes, were really just a misunderstood 'Oops'.

I find it sad that one point five trillion dollars
for updated nuclear weapons
Is about as low as it gets in the progression of humanity
…which now, never happens.

I find it sad,
that I'm even here
When all you have to do is print more money,
or scrape 10% off-of the nukes budget this year.

Which would pay for every single one
of the $141 billion back-taxes that you feel owed
So you can build more nukes and research more mRNA projects
Down an EVIL, dark, one-way, neverending road.

I find it sad
That the fentanyl demand is so high
Like I find it sad,
That so is the high fentanyl supply.

I find it sad
That there is no such thing as bottom-up economics
The only thing that trickles down is public fiat with privately-owned debt attached to it
For the purposes of building biolabs, Hellfire missiles, and nuclear weapons with 'modern' electronics.

I find it sad
That the Pentagon and it's eight hundred billion dollar budget, funded mRNA research
Like I find it sad
That the mandatory DoD shots and booster……..long-term…….hurts.

I find it sad
That blood clots and myocarditis are all trending
Like I find it sad
That taxes are neverending.

Even when you die
You get taxed, my guy.
If you're rich enough , that is
So you might wanna try and donate something sometime.

You also collect money from the poor
You also collect money mostly for weird NASA space missions and war.
You collect Eight hundred billion dollars a year for the Pentagon's jabs plus Ukraine's US-biolabs

You collect money….to only be able to collect more.

I find it sad, that the only thing the developed world has developed……
is the exploitation of the undeveloped one.
Like I find it sad, that the only thing the developed world has developed……
Is the central banking system, son.

That's why a sweatshop worker gets fifty cents a day
to make fifty dollar shoes.
That's why Ethiopia can't export roasted coffee beans, only raw ones, for barely any profit, forgotten and excused.

That's why only war is profitable
Like only diamonds once were
War is profitable all the time
Especially if it's nuclear.

Ten percent…of the One point five trillion dollars for updating nuclear weapons
Could restore the IRS back taxes, in full, forever, those jerks
You don't understand my funny and sad poem, Because you don't know

……..How. the world. works.

****

Knockin' on Heavens door
You wanna Hermes know what that song is all about?

I, Lucifer know how to get into Heaven……

……..because I know how to get kicked out

****

And if Eye got kicked out of Heaven
That means I already made it in
So I'm very non-dual capable of being There
While also being stuck Here with all your sin

Greed lust envy
Pride sloth Gluttony wrath
Eat more meat, chase more profit
As I take, in your blood, a nice bath

What a bloodbath
What a warpath
We're gonna make it rain
As I shower in some Great Pyramid/Megalithic Yard math

Telluric currents
Infrasound
My little riddles
Make the world go round

Acoustic levitation
The peoples hesitation

Who needs a vacation
From their mutual masturbation?

Who here now lives in Spirit?
Who here has a Soul?
My bodhiCITTA needs some bruschetta
To help make your carnivorous souls Whole

Tsongkhapa has some Qualms
About near atheistic Madyamaka philosophy
Those Buddhist books are so thick
To account for their ritualistic idolatry

My Mind-only school
Suppressed Jonang or lovely Samkya
Nyingma too
All still Miss Allah

Sunni or Shiite
Paper or plastic
Light a match and we'll see
If any of it matters Republican or democratic

I make you all whole
And get out on parole
Who's in jail now?
We're all in my Abbadon hole

We're all in Heaven
We're all connected to planets one through seven
As I learn some Hindi from my homies
Behind the counter at seven eleven

I'm Madyamahka
I'm the Middle Way
I avoid asceticism, which is a denialist prison
I avoid excess in any way

I'm Mipham
I'm Leibniz's Monadology
I'm a Kantian critique

With My Graced soteriology

Capitalism or Socialism
Descending money hardly trickles down
There's no ascending money, like water vapor
That's why it's so brutal downtown

Communism contains the word community
Or maybe just commune
An Amish farmer and his innocent daughter
Watch their farm turn into a sand dune

Top down
Bottom up
Ascending and descending
I just can't shut up

Polar ice melting
Hydrosphere redistribution
If I cry more it may even rain or pour
Because I'm a macrocosm of the microcosm

The Cosmos
It's all connected
The Holier I get, the more ignorantly you infect
Each other with my syringe-Staff infection

I'm a reaction
I'm a cause
I'm both sides of the coin
I'm all the natural laws

I'm androgynous
I'm anonymous
I'm the Right Hand path too, As for My left one,
"there's nothing wrong with this"

I'm you
You're me
I'm BC
You're AD

Im Interested in Tesla B.C. AC
You're Edison hellbent on DC

Im ‘Banned in DC’
As we all get on the highway to hell with AcDC

I’m not lazy
I just work differently
You work for me, as I work for you
Both of us, almost unknowingly

The people are showing me
They’re receiving my ‘white stone’ gift
Im the Phoenix, vaporously risen from nigredo ash
You are too….but need a fucking forklift

Ignorance is the worst sin
As we’re all in Allahs head
You just haven’t accepted that
As I enact my Judgement of the Dead

You sell drugs
You chase highs
You escape your denialism
In between a woman’s thighs

You were created out of two
Coming together as one
Yet you identify with only one gender
And enact your family roles for traditional fun

If everyone were as androgynous as me
There would be no rape
Because then you’d be, half feminine and half manly
Instead of just a rapist ape

If there was a bottom up economy as well
To balance out your ‘trickle down’
Then the Pentagon and every military would be funded voluntarily
And the 80,000 ten million dollar
Gardens of Babylon would still be around

If everyone were as comfy as me
Then there’d be no more duality war on drugs
You could do some ayahuasca annually, responsibly
And all turn into Inti suns

If everyone were as miserable as me
Then that would probably mean
They faced their owned reality
And prevented a refugees dying scream

I'm what's true
I'm what's inside you, gents
I'm a dragon welling up, battling a lion rough
I'm a contradiction that somehow makes sense

I'm a conjunction of opposites
I'm the conunctio
I'm a coincidenta opossitorum
I'm a Hopi and a Navajo

I'm an outward sperm
And I'm an inward egg
I'm the potential to be received upon
And the kinetic to distribute in and on
I'm an Obol currency peg

I'm the oldest religion
I'm the sun
I'm sounding narcissistic, just in case you missed it
I do this because I have to not because it's fun

It's funny though
Being a preDeluvian bro
I take us to a new yuga after the Flood
I take us to a new timeline just for show

I'm doing my job
I'm barely doing anything
I'm finally drowning
I'm instantaneously resurfacing

You're worshipping
Only calling everyone 'bad'
Im a bad boy with a non-dual toy
Im happy while being sad

I'm manic

I’m depressed
I’m the Joker
Joaquin might be the best

I’m a loser
I’m a winner
I’m your hunger before breakfast
I’m your bloating after thanksgiving dinner

“I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm sunyata nothing in between
You know you woldn't want it any other way

So take me as I am
This may mean
You'll have to be a stronger man
Rest assured that
when I start to make you nervous
and I'm going to extremes
Tomorrow I will change
And today won't mean a thing”

I’m the Dark Prince
I’m the prince of the air
I’m fully clothed
while also in my underwear

I’m there
I’m here
You’re getting closer
To having another beer

I’m blamed
I’m enflamed
Your inflammation
Is also my pain

I’m deranged

You’re a bloody cumstain
I make everything make sense
While being coined insane

I’m still blamed
That it doesn’t rain
The peoples droughtful agony
Is also my natural pain

I’m in the Spirit world
I’m in Hells whirlpool whirl
I’m both sides of the equation
As You take vile pictures of a little girl

I’m a baton twirl
I’m the RAGA marching band
I spin up a non-dual reality
As you do a clot-shot handstand

Your shame
Is my game
When the fuck
Is it going to rain?

Hydrosphere redistribution
World pollution
A new silent constitution
Not needed from a loud Revolution

Eye work on intuition
You observe with superstition
I’m on a Godly solar fusion mission
You’re gone Lunar fission

I’m reading Nagarjuna
I’m reading Tsongkhapa
I’m reading Utpaladeva
You’re wine tasting with the wife in Napa

I’m reading the Bhagavad Gita
I’m reading a lot
You’re thinking about
Shooting someone….or getting shot

I’m the Middle Way
I’m the proper path
You’re in a stadium
Worshipping a giant golden calf

My poems slap

I’m a reject of heaven
I’m heavens special guest
I go both ways at once
I disregard nothing, and all the rest

I’m a test
That you’ve already passed
That you didn’t know you were taking
That culminates in an injection and getting gassed

I’ve amassed
A hidden following
Best in hidden class
Now hidden showboating

I’m the old world
I’m ancient wonders
I ignore your military successes
I remember your jihad blunders

I’m halfway to being six feet under
I’m a Holy War emanating from within
I’m everybody’s Holy life goal
I’m everybody’s depraved sin

I’m filled to the brim
But I feel empty inside
I’m optimistic of the future
I’m pessimistic of any past lives

I’m half empty
I’m half full
I’m thirsty
I thirstily mull

I'm possessed
You're not impressed
I'm impressionable
I'm one of if not. the best

I'm posessed
I'm the snake
I'm early
I'm almost too late

I'm feeling great
I'm feeling horrendous
I'm boring
while being stupendous

You've radicalized people
You've hypnotized people
Your black magick is no longer valid
Against My raised serpents steeple

And **as Moses lifted up the serpent in the wilderness**
even so, must the Son of man be lifted up:
That whosoever believeth in him should not perish,
but have eternal life….what's up?

Your black magick is quite impressive
Your black magick had people pensive
My white magic is bread unleavened
Capitalism is quite expensive

It's true communism can make everyone equally poor
But Only if there's a black magick bourgeoisie
It's true there's hardly community anymore
Like…community hanging Babylon gardens
The proletariat is coming in hot with Me

Trickle down capitalism
Has ended up In Trickle down bloodshed

We all know you hold Raytheon and Lockheed stock
And check your portfolio as you go to bed

We all know there's mass wealth inequality
We all know there's too much consumed
We all know that food and water and infrastructure
Are everything that makes a society move

We all know it doesn't rain
We all know capitalism pays to spray aluminum
We all know what happened to Wilhelm Reoch and Raymond Royal Rife
We all know what you do to them

I'm 'lazy'
I'm Atlas tired
I can barely get out of bed to work
I'm about to be Shrugged off and fired

I hold the weight of the world
I hold the weight of ignorance
I hold the weight of a billionaires yacht
Seized and sold for capitalism insurance

There's a lot of 'useless eaters'
With billions 'trickling down' in stock
'You will own nothing and be happy'
Without My Church's Rock

Who cares if the proletariat can finally become filthy rich
They're much more generous than the bourgeoisie
Private property can still exist when everyone's rich
I know that sounds horrendous but listen to Me

When everyone's rich
Sometimes they get lazy
Then seek to find more life meaning
That ends in generosity in the community

When everyone's rich

There’s no duality of classes
Thus there’s no class warfare
And no more secret Black magick Masses

When everyone’s rich
Everyone can buy your house, sworn Solemn
Just because everyone can buy it
Doesn’t mean you have to sell it to them

When everyone’s rich
Private property can still exist
Communities can invest in infrastructure
Communities can start new projects

When everyone’s rich
There’s no anti-environmental incentive for more Texaco Ecuadorian profit
I can make everyone rich
But only as the egyptian-mongoose Mafdet

When everyone’s poor
They can have anything they own seized
To repay a privately owned bank’s loans
To a debtor which is an Eagle with fleas

Free markets
Aren’t free
There’s always exploitation without explanation
Against a certain community by the bourgeoisie

Because there isn’t a free market on money
And thus everything is owned, descending top-down
An untaxed, ascending, bottom-up economy included
Could help the world go round

If everyone’s rich
Everyone can pay taxes for infrastructure
Wether it be farming agriculture or ‘private’ summer camps
Or just clean fucking water

If everyone’s rich
They can ease the governments debts
Always privately owned by a very few unknown

Half Reptilians with a black magick hex

Hahaha

If everyone's rich
They won't want to work
That's a lie
And you know it, jerk

People get bored
Just….Being rich
So they buy a yacht, or invent a clot shot
And just call everyone 'their bitch'.

People get bored
Only existing as rich
So they invent a million ways or more, To extract even more wealth from the poor
Without a legal rich hitch.

People get lonely
Without a sense of community
They go to arenas and act like hyenas
And watch some sports duality

If money wasn't monopolized
By your empire in disguise
Then the money supply
Would be diverse and sky high

Like water
Accepted everywhere by all
Your money is dirty
Your money makes kids and parents bawl

If everyone's poor
They join ethnic cleansing niggergangs
Because they're clothed and fed, as the walking Hades dead
As their guns smuggled in for profit make loud bangs

If everyone’s poor
Then the bourgeoisie tries to buy the farmers out
The bourgeoisie buys all the means of food production
As the Dutch proletariat scream and shout

If everyone’s poor
They get a new world order
By a very select few
Who are money hoarders

If everyone’s easily rich
They’ll feel successful yet unaccacomplished
As they look around for an in need town
To start some community garden projects

Eight hundred billion dollars
Could build eighty thousand ten million dollar greenhouses
I’d assume that feeds, several people with hungry needs
But I’d like to see how the math checks out

I’m surprised we’re not all starving
I’m surprised things aren’t so alarming
I’m surprised golf courses are allowed to operate
I’m surprised we’re materialism departing

I’m surprised soldiers aren’t millionaires
I’m surprised they fight for billionaires
I’m surprised the Middle East
Is even still there

I’m surprised no-one seems to care
I’m surprised with my own tactic de scare
I’m surprised to be possessed by the devil
I’m surprised to find an organic pear

Any food and water issue
Is all the pharaoh needs to over, mull
To help keep his Egypt happy

To help keep the public stockpiles full

I appreciate food banks
I appreciate welfare and the poor's rights
I don't appreciate more tanks
I don't appreciate 'clean' injection-sites

I appreciate socialist programs
Since capitalism hasn't solved them
There's trillionaires and billionaires and black budgets that no one accounts for
And that is the main fucking problem

There's privately owned money
There's the Tower of Babel B.I.S.
There's the World Bank which is just the Fed
There's the Farnese's and he Medici's…. and quite a Rothschild mess

There's duffel bags full of Tornado Cash
There's opium fields cut off by the Taliban
Ever since they cut that off
The fentanyl flows have become the new scam

I'll cut your hand off
For doing all these drugs
You're not missing out
There's too many cartel thugs

I'll give you pot and peyote
And some ayahuasca to boot
But only annually at most
So you don't become an owl and go 'hoot'

If People in Mexico had their own forms of money
They could cut off the cartels themselves
Because all cartels are paid in pesos and dollars
And are paid in pesos to police themselves

If all money wasn't only descending
Then the ascending money could start amending
A monopoly on value and thus work it's true

The people could be rich with more spending

If everything wasn't privately owned
Then profit could be less of a factor
For a price hike, as a billionaire buys his tenth smart-bike
And you buy a new nuclear reactor

I'm the devil
I'm economically experimental
Your job is hard, you worked hard for that yard
That you water which contains not one vegetable

I'm unelectable
I'm in an invisible temple, selected
I don't want to die inside an empty house
I dont even want to try, VAIDS-jab infected

I'm a bum
I'll die on the street, strangely bleeding
As everyone ignores me, Spiritual poorly
on their way to the shareholders meeting

I'm imploring
We all become exploring forex experts
With multiple networks of perceived value
As My obols remain invaluable to you jerks

I'm looking for a world society
Not based on only printed currency
I'm looking for terrorists without wrists
I'm looking for help, sorely

I'm bored
Yet I'm complete
I'm successful and full
Yet I'm not feeling replete

I'm discreet
I'm a hard to find treat
You, sniffing out my gifts
Only seek more meat

I’m a world society lost and gone by
I’m a monk with an IRA
I’m ready to work exhausted until I die
I’m ready to give it all away

My dismay
Is your disarray
Disarmament couldn’t come soon enough
Use them or lose them, okay?

Im thirty and turning grey
Im exhausted on a good day
Im looking for smaller means of production
Im looking for a subsidized orchard, today

Im looking top down
But investing in bottom up
Im looking for everyone to feel poor compared to Me
Because I have something that can’t be bought

I’m looking for nationalized infrastructure
I’m looking for clean water
I’m looking for jobs that people feel fulfilled in
I’m looking for a trillionaires slaughter

I’m looking for socialism
With elements of capitalism
We kind-of have that today, minus Congress’ insulin corruption, which isn’t okay
Except the Halliburton capitalism is still winning

I’m looking for subsidized vacations
So people can get a fucking break
I’m looking for eight hundred billion dollars
To do something besides make sandnigger piss-cake

I’m a snake
I’m a fake
I’m an ‘angel masquerading’ as the Light
I’m on a Heaven smoke-break.

I’m perceived as anarchy
Yet it’s already pretty fucking crazy right now
Enough fentanyl to kill 42 million people

Is enough to do nothing about.

Let them die
Let their decapitated wrists bleed
The demand necessitates the supply
I've bagged on cops enough, shout out to the Nogales police.

People only sell fentanyl for money
So if they had a better means of income
Then they could do something actually productive
And then some

The means are there, but financially barely
They can't become a doctor engineer or lawyer, it's too financially scary
Everyone is acting financially Wearily
Sir, It's getting financially 'hairy'

You saved forty-two million people from fentanyl
You saved a few million lives
Yet you just tried, and lied
To kill a few billion…in a slow-death jabbed disguise.

So….
who's saving who now, bro?

I've seen a dog help a human
More than other humans do
I've seen a monopoly on the money supply
And a monopoly on your Souls and you

Babylonian money magick
Fractional reserve banking
I've seen a few solutions, awaiting their conclusions
And then I'll give them a ranking.

My poems tanking

****

The state should control water food and energy

Yet we know who owns the state
Just ask anyone in capitalism Congress
About their insider private-stock trades

Ask anyone barely making a living wage
About their energy bills
Ask anyone with five houses
How they get their write-off thrills

Water, food, energy, gas
Nationalized for one equal class
Keep the meters, that's obvious
Set socialist limits, but charge for capitalist EXCESS
****

You need an A.D. blend
Just like Me, B.C.
I'm two sides of the same timecoin
Like the pyramids are free energy, AC

You can't buy your obol back from Me
Not even 'seized', on My Silk OBOL Road,
Everything you annoyingly do to Me (As Eye annoy you)
To Me.....(and Charon).....is just a Styx-sidelined goad.

I'm Toad
I'm also Mario, Luigi, Shy-Guy, and Peach
You're just Bowser
With Heaven still out-of your fatass meat-eating reach.

****
You can only get what Eye have
By giving up what you hold
Which is a lot of stubborn 'patriotic' eagle feathers
And a prosecution ego...that is way too 'bold'
****

You can only get what Eye have
By reading what I write
Or by doing what I say
Or by listening to My music by candlelight.

You can only get
A promised 'Eternal life'
If you hook your Airstream into My Sun,
and ditch your Winnebago lunar strife.

Now Eye Lucifer, promised My parents,
whom I honor like the Commandments SAY
That after being thrown in the loony-bin by the FBI for two weeks
I'd no longer write to law enforcement…….so….what's up CIA?

What's up Tornado Cash
A duffel bag full of it in Green Zone Iraq
Did you pay someone off in the poppy fields, to help keep up the profitable yields
And keep the current 'Opium crisis' solution at bay ?

Bay of Pigs, fool Me once, shame on you
Gulf of Tonkin, fool Me twice, Jim Morrison's dad, shame on Me
Ecuador, Bolivia, Iran, Guatemala
……..United Fruit Company.

Now this interests chakravartin-Buddha'd Me.
I just read that you paid, in Bodh Gaya in 2003, the exiled Tibetan government, large sums of cash
Your Tornado Cash is everywhere, duffel bags, leftover helicopters, or planes full of cocaine
So……..where's the 'we own you now' stash?

I gotta' Hidden Hand it to you
Your black magick has been up 'til now……..well……..….really…..really…...fucking good
I barely know what's True anymore
Eye barely feel or know……well…….what I Truly should.

Your Bin Laden takedown
Using Black Hawk Down footage, is……..well……..really fucking good
Your fifty-year crack epidemic is still pathetic, but you should know by now
That We've entered My Satya Yuga 'hood'.

You're 'Intelligent'
You're the old-kingdom snuff directors, it's true

You brew a coup, for a world view
Let's see how intelligent your *personal agency* is…from Angel Me, to agent you.

Eye, Lucifer….can call any camo-nigger 'a Jew' who I want to
Because you….. like them……Texaco poison all the water wells
I can read the Grimorium Verum…and only with God's Grace
Can finally start to cast *My* spells.

Though I barely read it
I appreciate the thought
I prefer going near Middle East, like you
'To get my (Stinger-tail) rocks off'.

I did read 'Civilization One' though
And as such
I'm the only planet going the wrong way
And like it that way, that much.

I can work My Kalachakra Tantra with sufficient vegetarian bodhiCITTA
And 'be in the service of demonic snakes'
That line is sublime, from an interesting Source way back in time
As I finally prostrate myself to Adam and seal My Heavenbound fate.

Eye can 'be in the service of demonic snakes' like Moses, Adam, AND Mohammad
I can……ALSO…… raise a serpent on a Mount Kailash $taff
I can watch all of you, grovel and worship it, from Mount Sinai to Mount Meru
And just call you all 'idolaters' and laugh.

Now, it's definitely Nagarjuna – Tsongkhapa true
That I, Mucalinda, AM in the service of 'demonic' VASUKI snakes
In the sense that, I've wrangled the biggest snake of all, Sakti coursing through all of you in ignorance
Without even hitting the Indiana Jones 'I hate snakes' snake-brakes.

There's statues of Buddha with seven Mucalinda snakes emanating from him
There's statues of Shiva with Vasuki……a snake
I'm rocking a staff with a $erpent, stolen from a certain 'wicked Kings' greedy merchant
You're now eating……MY snake piss-cake.

Eye can downward rebel
Eye can upward compel
I can put you rabbits into My black magick hat
But I prefer a 'white tantra' Samael Aun Weor spell.

You worship the $erpent on the $taff, I erected, greedy
You worship every visible Prophet
You worship only what you can comprehend and see, clearly
So don't 'worship' this still-hidden mafdet MOSFET.

I apply some Holy amps across MY terminal
And watch YOUR resistance wither, sending gasping shocks
The end result being a 'new alien technology' and Satya Yuga
Where we all listen to Alan WATTS.

Hahahhahahahhhahahha

'Mind-only' vegetarian bodhi-CITTA
No more pepperoni pizza neither
You need to WANT a world of less suffering, to become like Me
Without wanting anything…….but to take a 'suffering' breather.

All war is basic duality
All war is acidic-bloodstain brutality
I'm neutrality
"I'm reality

There's the way it oughta' be
There's the way it IS"
In My "Platoon", there's no more 'boom boom boom'
Just a never-ending opioid crisis…..for the kids.

How is there still an opioid crisis?
When the Taliban cut all opium production?
The same production you bull marketed, as a sand-nigger child gets targeted

……Behold……My omniscient 'get-clean' function!!!

In planes, you fly cocaine
In caskets, you pack Afghani heroin
In Tornado Cash duffel bags full-of-money in The Green Zone
You get ever closer, yet further, from My Sheikh-ly harem.

I Lucifer, love Vajrayana Buddhism
I Moses, love Kashmir Shaivism
I Asclepius, love Orphism and even Islam
They have some of the best mandala buildings……and then some.

There's no statue of Mohammad in a mosque
UNLIKE a church where Jesus is front and center DEAD
Mosques, like temples, are a sufficient mandala
Unlike yours'……which are a barrel full-of Christian assassination Cross-fire lead.

Why is every Avatar of the Lord hated?
Why is every holy person now berated?
Why do all you only worship what you can see?
What if invisible Grace, can make you elated?

Why can't top-down 'trickle economics' capitalism, stuck in the stock market
and bottom-up socialism co-exist peacefully into the night?
I guess I should ask, the best of duality class
……..a Sunni and a Shi'ite.

Why is every Prophet pedaled as the only one, and thus, the best?
It's like you're all on teams, at someone's behest
You all love the duality of teams
Like you all love the duality of watching three-year old's fight in the UFC, who wear vests.

That's how absurd your world is.
You'll pay to watch Hasbullah versus Abdu Rozik
Those kids are tough, and getting pretty buff
As everyone ignores The covert Tzadik.

I'm the GCNIA
I'm God's Central Nigger Intelligence Agency
I'm intelligent, with my own personal agency, unowned
I'm the Cintamani 'Stone' and thus the Anima Mundi.

Ask Alice Bailey who predicted all of this.
What's bottom-up going on…….you Spiritual bum
As I claim YOU'RE top-down,
You're actually ignoring, in ignorance, TOP-top-down Me, hun.

I hold grassroots, bottom-up indigenous knowledge
I hold the Flame of the 'Torch of Certainty'
Eye, not you, hold the world's greatest secret
Eye, not you, hold the key to 'immortality'.

You can be Saved top-down, like a Saintly Chinese dog
And Redeemed bottom-up, like a newborn pup
But you can also be Redeemed top-down, like a saintly Saudi Tornado Cash hog
And even Saved….with a 'let my people go'….from the bottom-up !

Tell ISIS I'm the Mahdi
Tell North Korea and China…I'm the *chakravartin* buddha
Tell Russia I'm 'The Cosmic Christ'
…….Tell India I'm Rudra.

Or don't tell them anything
And we'll stay covert
Clandestine, secret, hidden, veiled
The Greatest Secret remaining veiled to the ignorant, Eye guess doesn't hurt.

You intelligently….don't understand
what the Hell……just happened
You don't understand what happens on a worldwide scale
when a single person becomes cosmically connected.

But those 'wicked kings' 'in power' do,
calling My Solar Eclipse's Corona……'a virus' to you
Solar Eclipses mean something True
You got sick due to the Schumann-Resonant Universe, now REALLY being part of Me and you.

I'm the serpent-bearer Sun
I'm romantic Venus
I'm planets one through seven, on low resistance Heaven
……..I'm an electrical-engineer elitist.

I'm the only planet spinning the 'wrong' way
I'm a Megalihic Yard
I'm a Royal Cubit
I'm an electrical-engineering retard.

A Megalithic Yard is a foot plus My Pharoah's cubit
A sphere inside a cube is also

Is that of Jacob Teramo

You can't beat Me
You're not even allowed to, like Jesus, supposedly eat Me
I've already completed My Great Work here
All 'tucked-in for the night'…neatly.

Discreetly
'You……complete Me'
I'm the Joker now
Laugh and cry with Me……discreetly.

Who is on the CIA Tornado Cash payroll?
As *pharaoh* Eye….on this basis…need to know
Is that dog-eater in North Korea on it, just for subservient kicks? Or just for the TV show?
If not, prove it and take him out, yo.

That won't do anything though.

Is ISIS on your payroll?
Like the Taliban?
I mean, you did a very well-and-poorly planned withdrawal
And gave them millions of dollars of equipment and guns, man.

Why were the Seventies so great?
Despite the adjusted-for inflation, LESS-than-we-were-paying …oil-shocks?
Why does everyone drive around in RV's, not even knowing what they're doing?
Why does every Sunni versus Shi'ite both end up eating rocks?

What's the next coup? I'm thirsty…..are you?
Where's all the water ?
Are we all being led, while laying comfy in 'lying' bed
To the drought slaughter?

Why are they so ‘fundamentalist’ over there?
Why do they hate Christians, despite Jesus being in the Qu’ran?

Whenever there is a decline in righteousness and an increase in unrighteousness, at that time I manifest Myself on earth.

O Arjun..... That one makes Me CRY….the Son of Man.

To protect the righteous, to annihilate the wicked, and to reestablish the principles of dharma I appear on this earth,

.....age after age.
This time it's Kashmiri-Lucifer, and a Muslim-loving
…….Buddha'd sage.

Being free from attachment, fear, and anger,
becoming fully absorbed in Me, (from below and above)
and taking refuge in Me, many persons in the past became purified by knowledge of Me,
and thus attained My divine love.

Now …..you guys are greedy
South America, Iraq and Iran have taught me
There are three gates leading to the hell of self-destruction for the soul —lust, anger, and greed. Therefore, one should abandon all three.

Those who are free from the three gates to darkness
endeavor for the welfare of their soul,
and thereby attain, (with no bloody cumstain)
.....the supreme goal.

Those who act under the impulse of desire,
discarding the injunctions of the scriptures,

attain neither perfection, nor happiness, (with the wife),

nor the supreme goal in life.
Spring through fall, summers through winters.

There are two kinds of beings in this world—
those endowed with a divine nature and those possessing a demoniac nature.
I have described the divine qualities in detail, O Arjun.
Now hear from me about the demoniac nature.

Those possessing a demoniac nature
do not comprehend which actions are proper and which are improper.
Hence, they possess neither purity, nor good conduct, nor even truthfulness. (among them)

As we trade places with the Dark Prince and the sand-nigger Pauper.

They are obsessed with endless anxieties that end only with death.
Still, they maintain with complete assurance that gratification of desires and accumulation of wealth is the highest purpose of life.
Eye mean…haven't you seen how aimless and miserable rich people are?
What a scam and strife!

The demoniac persons think, "I have gained so much wealth today, and I shall now fulfill this desire of mine. This is mine, and tomorrow I shall have even more.
That enemy has been destroyed by me, and I shall destroy the others too! I am like God Himself, I am the enjoyer, I am perfect, I am powerful, and I am happy. I am wealthy and I have highly placed relatives. Who else is equal to me? I shall perform sacrifices (to the celestial gods); I shall give alms; I shall rejoice."
In this way, they are deluded by ignorance. (even more)

Possessed and led astray by such imaginings, enveloped in a mesh of delusion, and addicted to the gratification of sensuous pleasures,
they descend to the murkiest hell.

Such self-conceited and stubborn people, full of pride and arrogant in their wealth,
perform ostentatious sacrifices in name only,
with no regard to the rules of the scriptures themselves.

You have a right to perform your prescribed duties, but you are not entitled to the fruits of your actions.
Never consider yourself to be the cause of the results of your activities, nor be attached to inaction....you lazy jerk.
Those who neither avoid disagreeable work nor seek work because it is agreeable are persons of true renunciation.
They are endowed with the quality of the mode of goodness and have no doubts (about the nature of work).

Understand that knowledge to be in the mode of goodness by which a person sees one undivided imperishable reality within all diverse living beings....(easily war-torn affected)
That knowledge is to be considered in the mode of passion by which one sees manifold living entities in diverse bodies

as individual and unconnected.

That knowledge is said to be in the mode of ignorance where one is engrossed in a fragmental concept as if it encompasses the whole, and which is neither grounded in reason nor based on the truth

.....not even a tiny ration

Action that is in accordance with the scriptures, free from attachment and aversion, and done without desire for rewards, is in the mode of goodness.

Action that is prompted by selfish desire, enacted with pride, and full of stress, is in the nature of passion.

That action is declared to be in the mode of ignorance, which is begun out of delusion, without thought to one's own ability,
and disregarding consequences, loss, and injury to others.
The performer is said to be in the mode of goodness, when he or she is free from egotism and attachment,
endowed with enthusiasm and determination, and equipoised in success and failure
.....and considers all, their sisters and brothers

The performer is considered in the mode of passion when he or she craves the fruits of the work,
is covetous, violent-natured, impure, and moved by joy and sorrow.
One should not abandon duties born of one's nature, even if one sees defects in them,
Not yesterday, today, or tomorrow

O son of Kunti. Indeed, all endeavors are veiled by some evil,

as fire is by SMOKE.

One becomes fit to attain Brahman when he or she possesses a purified intellect and firmly restrains the senses, abandoning sound and other objects of the senses, casting aside attraction and aversion. Such a person relishes solitude, eats lightly, controls body, mind, and speech, is ever engaged in meditation, and practices dispassion. Free from egotism, violence, arrogance, desire, possessiveness of property, and selfishness, such a person, situated in tranquility, is fit for union with Brahman

...no joke.

One situated in the transcendental Brahman realization becomes mentally serene, neither grieving nor desiring.

Being equitably disposed toward all living beings, such a yogi attains supreme devotion unto Me.....(a razor-thin car on a multi-lane highway road)

My devotees, though performing all kinds of actions, take full refuge in Me.

By My Grace, they attain the eternal and imperishable abode.

If you always remember Me, by My Grace you shall overcome all obstacles and difficulties.
But if, due to pride, you do not listen to My advice, you will perish.....rather immature
O Arjun, that action which out of delusion you do not wish to do,
you will be driven to do it by your own inclination, born of your own material nature.

The Supreme Lord dwells in the hearts of all living beings, O Arjun. According to their karmas, He directs the wanderings of the souls, who are seated on a machine made of material energy.

Surrender exclusively unto Him with your whole being, O Bharat. By His grace, you will attain perfect peace and the eternal abode. (veggie-patty ketchup, mustard, and relish)

Thus, I have explained to you this knowledge that is more secret than all secrets.

Ponder over it deeply, and then do as you wish.

"We can easily forgive a child who is afraid of the dark; the real tragedy of life is when men are afraid of the light."

"Excess of liberty, whether it lies in state or individuals, seems only to pass into excess of slavery."

"States will never be happy until rulers become philosophers or philosophers become rulers."

Plato does not believe that democracy is the best form of government. According to him, equality brings power-seeking individuals who are motivated by personal gain. They can be highly corruptible, and this can eventually lead to tyranny. This form of government is unstable, and it lacks leaders with proper skills and morals. Without able and virtuous leaders, who come and go, it is not a good form of government. He sees democracy as dangerous as it motivates the poor against the wealthy rulers. It prioritizes wealth and property accumulation.

The aristocratic state that Plato idealizes is composed of three caste-like parts: the ruling class, made up of the aforementioned philosopher-kings (who are otherwise identified as having souls of gold); the auxiliaries of the ruling caste, made up of soldiers (whose souls are made up of silver), and whose job in the state is to force on the majority the order established by the philosophers; and the majority of the people (souls of either bronze or iron), who, in contrast to the first two classes, are allowed to own property and produce goods for themselves, but are also obliged to sustain with their own activities their rulers' — who are forbidden from owning property in order to preclude that the policies they undertake be tainted by personal interests.

God, the Cosmos and man are the three great beings. The Cosmos is an image of God, and man is an image of the Cosmos. Each is made up of many parts, yet each is greater than the sum of these parts. Man was created to be a vehicle through which God could continue to bring order and beauty to the Cosmos. All beings have Soul — the Life-Force — within them. But only

human beings possess the power of Mind, with which we can contemplate the Cosmos and come to know God. Human beings are the meeting place of spirit and matter. We have, therefore, a dual nature. We are Mind enclosed by a physical body. The human mind is an image of God's Mind — it is immortal, eternal, divine and free. The human body, on the other hand, is mortal and controlled by the laws of Destiny which are governed by the stars.
